legendary Donald Ross and first opened in 1907 Physically and mentally demanding the course gave players options on every hole and required them to envision and execute recovery shots from the sandy perimeters and the pine forests as well as think creatively around the intricate greens As a result No 2 became a favorite of the nation s top amateurs and professionals Unfortunately a modernization of the course over the last four decades stripped it of much of its character In The Golden Age of Pinehurst Lee Pace chronicles the breathtaking restoration of No 2 from its recent slick and monochromatic presentation back to a natural potpourri of hardpan sand wire grass and Sandhills pine needles The restored No 2 accessible for amateur play yet challenging enough for the professional once again stands apart for its beauty strategic appeal and Old World flavor
