Obstetrics by Ten Teachers, 19th Edition Philip N. Baker, Louise Kenny, 2011-03-25 First published in 1917 as Midwifery Obstetrics by Ten Teachers is well established as a concise yet comprehensive guide within its field The nineteenth edition has been thoroughly updated integrating clinical material with the latest scientific advances With an additional editor and new contributing authors the new edition combines authoritative detail while signposting essential knowledge Retaining the favoured textual features of preceding editions each chapter is highly structured with overviews definitions aetiology clinical features investigation treatments key points and additional reading where appropriate Together with its companion Gynaecology by Ten Teachers the volume has been edited carefully to ensure consistency of structure style and level of detail as well as avoiding overlap of material For almost a century the Ten Teachers titles have together found favour with students lecturers and practitioners alike The nineteenth editions continue to provide an accessible one stop shop in obstetrics for a new generation of doctors

Obstetrics by Ten Teachers, 17Ed Philip N. Baker, Louise Kenny, 2000-08-25 The 17th edition of this classic text has been welcomed worldwide by medical undergraduates on obstetrics and gynaecological rotations Written and edited by a dynamic new team all leading specialists from major teaching hospitals the book has been completely revised to meet the needs of today's students In line with recent curriculum changes the new edition integrates basic sciences and clinical material to aid a thorough understanding of the underlying disease processes While maintaining the superlative quality of previous editions all of the chapters have been completely rewritten to present core information succinctly and easily Physiology and pathophysiology are fully integrated with clinical material to ensure a thorough understanding of the underlying disease processes thus enabling the student to take a logical approach to diagnosis and treatment Separate chapters are included on obstetric emergencies imaging in obstetrics neonatology and emotional and psychiatric changes in pregnancy and the puerperium The new full colour text design incorporates key points and summary boxes highlighting the essential facts and clinical relevance with illustrative clinical cases included in each chapter The book contains over 200 colour illustrations and clinical photographs

Obstetrics by Ten Teachers Elst Ash Monga, Phil Baker, 2006-01 First published in 1917 under the title Midwifery Obstetrics by Ten Teachers has become a world renowned textbook in its field The eighteenth edition of this classic book is thoroughly updated in line with the new curriculum integrating clinical material and incorporating the latest advances in Obstetrics br br The book also retains its comprehensive coverage of the subject area and the much loved textual features of previous editions Each chapter is highly structured with an overview definition prevalence aetiology clinical features differential diagnosis investigations treatment key points new developments and references where appropriate br br With a new Editor and a new team of contributing authors the eighteenth edition combines authoritative detail with a clear guide to essential knowledge Both Obstetrics and Gynaecology volumes are carefully edited to ensure consistency of structure style and level of detail and to avoid overlap of material br br This book

owes a great debt to Professor Stuart Campbell and Dr Christoph Lees editors of the seventeenth edition of this book They presided over and were intimately involved in the comprehensive revision of what had become a rather old fashioned book bringing it fully up to date in the year 2000 and were responsible for introducing many of the concepts and features on which this edition has built *Self-Assessment by Ten Teachers: EMQs, MCQs, SAQs and OSCEs in Obstetrics & Gynaecology*

Jeremy C Brockelsby,Christian Phillips,Louise Kenny,2007-05-25 Self Assessment by Ten Teachers presents a new opportunity for medical students to assess their levels of knowledge and understanding in obstetrics and gynaecology and to practise their exam technique Working well as a stand alone book this comprehensive self assessment book is also designed to complement the well known volumes Gynaecology by Ten Teachers and Obstetrics by Ten Teachers both of which have now reached their 18th editions The book tests information covered in the two Ten Teachers volumes via the full variety of exam question types EMQs MCQs SAQs and OSCEs Each answer has a short explanation of its own and cross references are also made to page numbers and topics in the main textbooks **Ten Teachers Obstetrics & Gynaecology Value Pack**

Philip N Baker,Louise C Kenny,Ash Monga,Stephen Dobbs,2011-04-29 For almost a century the Ten Teachers titles have together found favour with students lecturers and practitioners alike Now in their 19th editions Obstetrics by Ten Teachers and Gynaecology by Ten Teachers form the perfect companion for medical students and are available to purchase as a pack Both books have been thoroughly updated to integrate clinical material with the latest scientific advances Key features Illustrative case histories provide realistic advice on practicing gynaecology Retains the highly praised features and chapter structure from the 18th edition including the symptoms and signs boxes Includes access to a companion image bank website
