**Site Management of Building Services Contractors** Jim Wild, 2002-09-11 Managing building services contractors can prove to be a minefield. The most successful jobs will always be those where building site managers have first built teams focused on tackling issues that might cause adversarial attitudes later on and jeopardize the project. The author shows how a simple common management approach can improve site managers' competency in overseeing building services contractors, sub-traders and specialists and maximize the effectiveness of time spent on building services. *Building Network*

*Capabilities in Turbulent Competitive Environments* Paul Hong, Young Won Park, 2014-12-19 Brazil, Russia, India and China (BRIC) are among the largest and fastest growing economies in the world. The enormous size of the customer base in these emerging markets is the strategic concern of global business firms. Successful market performance in these markets requires sound understanding of dynamic environmental factors and timely investment. **Advances in Energy, Environment and**
