The Everything Token Steve Kaczynski, Scott Duke Kominers, 2024-01-25 NFTs cause excitement and skepticism How much value can a token hold What drives this value To properly appreciate NFTs we must first understand what they actually are how they work and in what contexts they are used The Everything Token is an essential primer on NFTs non fungible tokens explaining their use purpose and how businesses can create and exploit them to develop new product lines building customer loyalty and increased revenues at the same time Together the authors have spent much of the past few years embedded in NFT communities and helping launch NFT products As self described beta testers of this brand new technology they ve seen its power first hand and aim to educate others on the importance uses and purpose of NFT and surrounding ever evolving technologies Demystifying the complexities two experts in NFTs show why we should take NFTs much more seriously than their reputation as fun digital art collectibles suggest They have a wider variety of uses than one may realise Gripping and accessible this book provides a guide and an insight into what can often be a hard to grasp area of technology

**Don't Use Your Words!** Jane Juffer, 2019-05-28 How children are taught to control their feelings and how they resist this emotional management through cultural production Today even young kids talk to each other across social media by referencing memes songs and movements constructing a common vernacular that resists parental educational and media imperatives to name their feelings and thus control their bodies Over the past two decades children s television programming has provided a therapeutic site for the processing of emotions such as anger but in doing so has enforced normative structures of feeling that Jane Juffer argues weaken the intensity and range of children s affective experiences Don t Use Your Words seeks to challenge those norms highlighting the ways that kids express their feelings through cultural productions including drawings fan art memes YouTube videos dance moves and conversations while gaming online Focusing on kids between ages five and nine Don t Use Your Words situates these productions in specific contexts including immigration policy referenced in drawings by Central American children just released from detention centers and electoral politics as contested in kids artwork expressing their anger at Trump s victory Taking issue with the mainstream tendency to speak on behalf of children Juffer argues that kids have the agency to answer for themselves what does it feel like to be a kid
