in Times of Pandemic Piotr Siuda, Jakub Majewski, Krzysztof Chmielewski, 2024-01-11 This edited collection brings in multiple scholarly perspectives to examine the impact of the pandemic and resulting government policies especially lockdowns on one particular cultural sphere games The COVID 19 pandemic has impacted virtually every aspect of our lives

regardless of where we live In the initial months many industry reports noted the unexpected positive impact on online digital game sales Games were not just lockdown proof but boosted by lockdowns Stay at home orders triggered a rush toward games as an alternative form of entertainment and the ubiquity of mobile phones allowed wider than ever participation Gaming and Gamers in Times of Pandemic studies how the COVID 19 pandemic affected game players game developers game journalists and game scholars alike in many other ways starting with the most direct illness and sometimes death Some effects are temporary others are here to stay Becoming a Public Benefit Corporation Michael B. Dorff , J.D.,2023-11-21 There are now over 10 000 benefit corporations and public benefit corporations in the United States including at least fifteen public companies This is the authoritative guide for leaders advisors and board members Entrepreneurs and leaders often have an inspiring vision for how their business can not only make money for shareholders but also benefit society In recent years a new legal structure has emerged the Benefit Corporation or Public Benefit Corporation which helps organizations make this ethical vision a legally authorized and protected reality Companies like Patagonia Kickstarter Warby Parker Danone North America Allbirds and King Arthur Baking have become benefit corporations to help advance both their business and their broader mission Rather than narrowly maximizing profits they consider their businesses impacts on employees customers suppliers the environment and others The goal of benefit corporations like these is to foster a new more humane and sustainable capitalism by pursuing both profits and mission Benefit corporation status helps protect the company mission even when leadership changes and in the face of pressure from investors shareholders bankers and lenders Becoming a Public Benefit Corporation explains this exciting new type of corporation when it makes sense and how becoming a benefit corporation can help leaders and organizations balance the tradeoffs between profits and mission Law professor and corporate governance expert Michael B Dorff also covers the weaknesses of benefit corporations arguing that the enforcement mechanisms around benefit corporations are currently too weak to prevent purpose washing With examples from top companies the book shows mission driven leaders board members and advisors how to use the benefit corporation structure to make the world a better place **Daily Labor Report** ,1955
