**Tricks of the Trade** Samia Mohammed El-Badry, Heidi Margaret Lopez-Cepero, 1995      **Video Games and the Law**  
Elizabeth Townsend Gard, W. Ronald Gard, 2017-01-12 The video game industry is big business not only in terms of the substantial revenue generated through retail sales of games themselves but also in terms of the size and value of parallel and secondary markets. Consider any popular video game today and you most likely are looking at a franchise that includes not only the game itself and all of its variants but also toys, books, movies and more, with legions of fans that interact with the industry in myriad ways. Surveying the legal landscape of this emergent industry, Ron Gard and Elizabeth Townsend Gard shed light on the many important topics where law is playing an important role. In examining these issues, *Video Games and the Law* is both a legal and a cultural look at the development of the video game industry and the role that law has played so far in this industry's ability to thrive and grow.

**Actors' Yearbook 2014** Simon Dunmore, 2013-12-04 *Actors' Yearbook* is an established and respected directory that enables actors to find work in stage, screen and radio. It is the only directory to provide detailed information for each listing and specific advice on how to approach companies and individuals, saving hours of further research. From agents and casting directors to producing theatres, showreel companies and photographers, *Actors' Yearbook* editorially selects only the most relevant and reputable contacts for the actor. Articles and commentaries provide valuable insight into the profession, auditions, interviews and securing work alongside a casting calendar and advice on contracts and finance. This is an incredibly useful professional tool in an industry where contacts and networking are key to career survival. The listings detailed in this edition have been thoroughly updated alongside fresh advice from industry experts.
