Small Business Vishal K. Gupta, 2021-08-03

Small Business: Creating Value Through Entrepreneurship offers a balanced approach to the core concepts of starting, managing, and working in a small business. An ideal textbook for undergraduate courses in small business management and entrepreneurship, the book offers a student-friendly pedagogical framework that blends foundational research on small business with the real-world practice of business ownership. Relevant examples are provided throughout the text, bringing key concepts to life while providing a realistic view of what it takes to create a successful and sustainable small business. Organized into five streamlined sections: a small business overview, paths to small business ownership, financial and legal issues, ways to grow a small business, and discussion of the Entrepreneur's Dilemma, the text offers a diverse range of relatable examples drawn from both actual businesses and from depictions of entrepreneurship in popular media. Each clear and accessible chapter features discussion questions, mini case studies, further reading lists, and color visual displays designed to enhance the learning experience and strengthen student engagement and comprehension.
