 Economist Best Books of the Year Financial Times Business Book of the Month A handbook for disruptors Eric Schmidt
 former CEO of Google Learn how the geek mindset is revolutionizing the corporate world by breaking all the rules to
 transform business culture leadership and personal successes We re living in a time of amazing technological innovation but
 we re not paying enough attention to one of the most important innovations of all one that s going to be a wellspring of
 progress for a long time to come This innovation is to the company itself a new model is being pioneered by geeks who have
 instituted a radical new mindset that has shifted the paradigm entirely on what a business can and should be They do not
 follow the rules of the Industrial era with their hierarchies and bureaucratic ways of thinking They do not follow the
 principles preached in business schools since the dawn of time They have all dedicated themselves to approaching business
 as a geek would through trial and error egalitarianism evidence and stress testing ideas in a group setting rather than
 relying on the boss s instincts In *The Geek Way* author and research scientist Andrew McAfee s groundbreaking exploration
 of this emerging phenomenon gets to the heart of the tectonic shifts taking place all over the business world The future will
 be geek By investigating contemporary research in psychology economics and behavioural sciences as well as first hand
 accounts from the geek leaders of today McAfee shows us how this new age will transform everything we think we know
 about how business is done now and into the future The most compelling analysis I ve seen of what Silicon Valley has learned
 about building more effective organisations Adam Grant host of TED podcast *Re Thinking* and number one New York Times
 bestselling author of *Think Again* Chosen for Economist Best Books of the Year in 2023 and Financial Times Book of the
