Instacart Tesla Model Update:

Crack the Funding Code Judy Robinett, 2019-02-05 Crack the Funding Code demystifies the world of angel investing venture capital and corporate funding and lays out a strategic pathway for any entrepreneur to secure funding fast. Lack of funding is one of the biggest reasons small businesses fail. In 2016 in the United States alone more than 31 percent of small business owners reported that they could not access adequate capital and the lack of capital prevented them from growing the business expanding operations increasing inventory or financing increased sales. This book will show you how to find the money create pitches that attract investors and then structure fair ethical deals that will bring them new sources of outside capital and invaluable professional advice. Crack the Funding Code gives you the broader perspective on how funding works how investors think and what they need to hear to put their money where their mouth is. Every entrepreneur who reads this book will get easy to follow deal checklists a roadmap of where and how to locate the best funding resources and top business mentors for their industry or geographical location and a step by step process to create pitches that make their idea or business irresistible.
