**Low Vision Matters** Laura Stevens, MSci,Thomas Blackman,2025-01-31 Accordingto the Centers for Disease Control and Prevention CDC over seven millionpeople in the US alone suffer from severe vision loss or blindness In thepast low vision was truly a life altering condition Those seemingly everydaytasks that were once so simple instead became difficult whether one had towork cook read drive go out to shop or even turn on a light switch one sworld had been completely turned upside down Today however things havebegun to change With the revolution of Artificial Intelligence AI alreadyunderway many of the major barriers caused by diminished or fully lost visionhave been lessened or completely eliminated In Low Vision Matters authors Laura Stevens and Thomas Blackmanprovide a comprehensive guide to all the aids and equipment now

available alongwith important practical advice to those who are vision challenged Thebook is divided into two parts Part One focuses on the day to day activitiesthat low vision can affect from safety in your home or traveling outside tothe handling of finances or one s home entertainment system It discusses thelatest technologies that can enable a person with eyesight problems toturn on a light start a dishwasher or even answer a phone through the use oforal commands and that s just the tip of the iceberg Part Two then provides abreakdown of the various kinds of helpful vision aid products now available Because the authors understand the costs involved in purchasing such equipment they include the names of those organizations and associations in an extensiveResources section along with various other crucial contacts about which thosewith low vision and their loved ones and caretakers need to know Timeshave changed Low Vision Mattersprovides a wealth of information that can vastlyimprove the daily life of a person living with vision loss or blindness **Alexa For Dummies** Paul McFedries,2019-01-07 Upgrade your Echo expertise with this Dummies guide to all things Alexa Amazon s hugely popular family of Echo devices has made Alexa a household name She can answer your questions entertain you and even help around the house Alexa for Dummies is the perfect guide for Alexa users who want to get up and running with their Echo devices From basic setup to making the most of Alexa s powerful smart home capabilities this is your one stop resource to all things Alexa Whether you ll use Alexa to send text messages play music control your thermostat look up recipes replenish your pantry or just search the internet for information you ll find detailed instructions in this fun and easy to understand guide Set up and personalize your Alexa device with an Amazon account and custom settings including your preferred Alexa voice Use Alexa to play music throughout your home stream videos online and meet all your entertainment needs Unlock the power of advanced features like Alexa Skills and make your Alexa accessible Turn your ordinary house into a modern smart home with advanced smart home features and Echo accessories The virtual assistant you ve dreamed of is now a reality with your favorite Echo device Let Alexa For Dummies make your wish Alexa s command Spent behind the Wheel Julietta Hua,Kasturi Ray,2021-12-21 Exploring professional passenger driving and the gig economy through feminist theories of labor Are taxi drivers in today s era of the ride hail app performing care work akin to domestic and household labor So argue the authors of Spent behind the Wheel Bringing together sociological and legal perspectives with feminist theoretical insights Julietta Hua and Kasturi Ray examine the case study of contemporary professional passenger driving in the United States On the one hand they show the rise of the gig economy has brought new attention to the industry of professional passenger driving On the other hand the vulnerabilities that professional drivers experience remain hidden Drawing on interviews with drivers labor organizers and members of licensing commissions as well as case law and other published resources Hua and Ray argue that working for ride hail companies like Uber and Lyft shares similarities with driving for taxi companies in the impact on driver lives Lyft and Uber sell the idea of industry disruption but in fact they entrench long standing modes of extracting the reproductive labor of their drivers for the benefit of consumer lives

Reproductive labor conventionally understood as feminized labor is extracted but masked behind the masculinized racialized bodies of drivers Professional driving is thus best understood alongside domestic and other gendered service work as reproductive labors devalued and often demonetized to benefit the national economy Spent behind the Wheel is a must for readers interested in critical studies of technological change and the gig economy showing how drivers capacities are drained for the benefit of riders corporations and the maintenance of the racial state      **Carpenter** Peter James

Cole Son, 2017-05-15 Are you looking to be an Uber Driver or a Lyft driver This is the book for you Start Driving Today I wrote this book to help people understand the ins and outs of being an Uber Driver or a Lyft Driver and how to do it easily with no stress and Make Lots Money Whether you want to become an Uber Driver or a Lyft Driver this is the book for you written by someone who drove seven days a week ten to twelve hour days and had experiences with a wide variety of people and situations Not only was the author a serious driver for Uber as well as Lyft but he also had more than eight years experience in driving limousines for three different companies in Los Angeles As you well know being a limousine driver is a huge responsibility and one needs to

be on top of your game especially when you're driving ten to twelve people in the back of a long stretch. Although this book won't cover driving limousines I only want to share with you the needed information so you can comfortably start driving for Uber and Lyft. I have enclosed links as well where you can sign up easily and get going. I have helped many people start their careers as an Uber and a Lyft driver by showing them the easiest way to get going as well as some tips. Be professional but don't forget to also have fun and drive safely at the same time. After all if you're not going to have fun in anything you do you might as well do something else. Uber and Lyft are an excellent way to start making money immediately without any stress of going to an office and having to work for a boss. If you have questions like How much money do Uber drivers make Or What are Uber Requirements Or How do I complete a Lyft Driver Application or any other questions you might have this is the book for you. Inside this book is valuable information directly from a Driver who drove for more than five months and drove hard In the wind in the sun and in massive rainstorms in one of the biggest cities in America Los Angeles. Thank you for your interest in becoming an Uber or a Lyft Driver. I would suggest signing up for both companies but driving only for one company as starters then maybe later try driving for the other company. Both companies have their good and their not so good but from my experience it was mostly good. Here are Driving Jobs near you Learn the Uber Car Requirements and sign up.
