The perspective changes everything - A comparison of the narrative

perspective of film and novel "One Flew Over the Cuckoo's Nest" Juliane Weuffen, 2004-10-18 Seminar paper from the year 2004 in the subject American Studies Literature grade 1.0 A Ernst Moritz Arndt University of Greifswald Institute for Anglistics American Studies language English abstract The novel One Flew Over the Cuckoo's Nest by Ken Kesey is without a doubt an outstanding example of American Literature. So it was obviously necessary to make a movie out of the manuscript. Unfortunately, there are some harsh differences between movie and book which in some cases change the original plot in a way that influences the viewer. Most of the differences come out of the different narrative perspective of the film because the story is just told objectively while the book tells it from a patient's point of view. But there are inexactnesses that change the viewer's perspective towards the characters. The only fact saving the movie is the choice of incredible actors: Jack Nicholson, McMurphy, Louise Fletcher, Ms. Ratched, William Redfield, Harding, Will Sampson, Chief Bromden, and Brad Dourif. Billy Bibbit are only the main examples for the unbelievable performance shown in this movie by all actors. Although most of their characters are illustrated differently in the book, they all did a great job. Since my project is to compare the narrative perspective of the book to that of the film, my sources were the book¹ and the DVD². Additionally, I have used several essays collected in A casebook on Ken Kesey's One Flew Over the Cuckoo's Nest edited by George J. Searles³. This book was a very valuable source for my work because the essays contain lots of information, interpretations, and views of various authors on many different themes. 1. Ken Kesey One Flew Over the Cuckoo's Nest Signet Books 1995 2. Einer flog über das Kuckucksnest Warner Bros Home Videos 2003 3. George J. Searles A casebook on Ken Kesey's One Flew Over the Cuckoo's Nest University of New Mexico Press first edition Albuquerque 1992

Girl Interrupted: Comparison of book and movie Nadine Klemens, 2003-02-18 Seminar paper from the year 2002 in the subject American Studies Literature grade 1.3 A Technical University of Braunschweig English Seminar course HS Film and Literature language English abstract You spent nearly two years in a loony bin. Why in the world were you there? I can't believe it. Translation: If you're crazy, then I'm crazy, and I'm not so the whole thing must have been a mistake. 125 How do we know whether someone is insane or sane? Susanna Kaysen's account Girl Interrupted is told to us through the eyes of a girl who is diagnosed with a borderline personality disorder. Can we believe the things she is telling us, or are her memories distorted by her mental illness? The unreliability of the first person narrator is not only a question when dealing with the book, but it is also an interesting aspect to consider when taking a closer look at the cinematic version of Girl Interrupted. In order to analyze how Kaysen's literary work was adapted, I will first shortly introduce the book and the movie. Then I will compare the two works with regard to narrative perspective, plot, and time frame, characters, and cultural background.
