Nursing The Ultimate Study Guide:

NURSING: The Ultimate Study Guide Nadia R. Singh, 2011-11-17 Print CourseSmart *Nursing* Nadia R. Singh, 2016

This is the ultimate all in one study guide to the core information nursing students need for success in all of their foundational courses. This guide is also a great tool for new nurse graduates. Presented in a well organized and easy to read style it contains everything a nursing student needs to know from the first nursing course through the last. *Nursing* Nadia R. Singh, 2011-11-17

Not your typical study guide, this single resource contains all of the core information an undergraduate nursing student needs to know from the first day of nursing school through the NCLEX RN. Written in a succinct well organized easy to read format, the guide closely follows the standard nursing curriculum and is designed as a reference for every core nursing course. To maximize successful exam preparation, the text highlights in each chapter important material most likely to appear on the NCLEX RN. Chapters are organized in a clear consistent format with information presented in a friendly conversational style. For every disease presented, there is a definition, triggers, symptoms, and nursing care. Nursing students will no longer be burdened with the substantial cost of purchasing individual study guides for each topic, since all of the information needed to master the core nursing curriculum is contained in this compact and pithy resource.

Key Features

- Provides a complete compact study resource for daily use in clinical and class settings.
- Designed to accompany students through all nursing school curricula and NCLEX RN preparation.
- Condenses 15 separate study guides into one succinct volume.
- Includes separate chapters for all five core courses: Medical Surgical, Fundamentals, Maternal Child, Pediatrics, and Psychiatric Mental.
- Identifies important material likely to appear on course tests and the NCLEX RN with the TQ test question designation appearing next to appropriate content.
- Organized logically according to standard nursing curriculum.
- Includes a definition, triggers, symptoms, and nursing care for every disease presented.
