Nwea Kindergarten Math Practice:

The Best Teachers in the World John E. Chubb,2013-09-01 John Chubb shows how we can raise student achievement to levels comparable to those of the best nations in the world through a radically new strategy for raising teacher quality He asserts that we must attract and retain much higher caliber individuals in teaching which we can accomplish by reducing the size and increasing the compensation of the teaching force via technology abolishing licensing and training teachers in institutions and programs that have demonstrated their efficacy in producing effective and improving the quality of school leadership on which teaching quality heavily depends
