- a. Member must have a valid NYS driver's license and the vehicle that the Restricted Parking Permit is requested for must have a valid NYS registration (this requirement is not applicable for members of the service with certain exempted titles, i.e., certain employment titles allow members to reside outside of New York City and the resident counties). Any member of the service with an exempted title must comply with the regulations of this procedure based upon the licensing, registration and insurance regulations of the state in which they reside.*
- b. The vehicle that the Restricted Parking Permit is requested for must have a valid insurance policy.*
- c. The vehicle that the Restricted Parking Permit is requested for must be registered to the requesting member of the service, or to a person related by blood or marriage, or to the requesting member's registered NYS domestic partner. The residence of the vehicle's registered owner (member of the service, relative or NYS domestic partner) must be the same residence the requesting member of the service has on record with the Department.*

When a member of the service applies for a Restricted Parking Permit, it is permissible to have a Post Office (P.O.) box listed on the member's driver's license, registration and/or insurance card. However, in all cases the member of the service's address of record with the DMV for his/her license and registration, as well as the address on record with the insurance company for the auto insurance all must match the primary residence the member of the service has on record with the Department.

If the mailing address on the registration of the vehicle is a P.O. box, the requesting member MUST attach to the application proof that the insurance policy of the vehicle is issued to the same address as the member's primary residence on record with the Department.
