

The background of the cover is a photograph of the New York Public Library's main entrance. In the center, the iconic Atlas lion sculpture is shown in profile, resting on a stone pedestal. The lion is white and has a detailed mane. Behind the lion, the building's facade is visible, featuring large windows and classical architectural elements. In the foreground, there are several large, rounded bushes with vibrant, multi-colored flowers in shades of purple, red, orange, and yellow. The trees in the background have autumn-colored leaves in shades of yellow, orange, and brown. The overall scene is a classic view of the library's exterior during the fall season.
