Oath Christopher Frost:

The Oath Christopher Frost,2015-12-02 Nikolas Troy wishes to leave his life behind after discovering the infidelity of his lifelong love Kristen Ashmore In a back alley in the city of Black Harbor Nikolas gives away his soul in one deadly bite Born again as a vampire he leaves his old life behind and swears to never return again Years later when Nikolas learns of the grisly murder of his beloved Kristen s little sister Megan he is faced with a choice Will he return to the life he left in order to honor the oath of protection he had made so many years ago or follow to the promise he has sworn to his vampire masters In a race against time with the Elder vampire of the Deatante clan at his heels Nikolas must try to solve the murder of Megan suppress his feelings for Kristen before his love leads to her ultimate death and remain in the shadows *The Lost Ones* Christopher Frost,2018-10-04 Serene has been on the run for most of her life She has no recollection of her past even her name is not her own Serene knows only one thing for certain She is werewolf It is not until she reaches the town of Sufferen that she finally finds a small pack of runaways that are also werewolves They take her in but there is a heavy price attached to their generosity Their Alpha Washington forces Serene into a life of prostitution Serene decides that this is not what she wants for her life or the other female werewolves Her only choice is to revolt against the pack She may be powerful enough to stop Washington but not alone Then she meets Chase Aires an angel and descendent of the God of War His power is unlike anything she has ever witnessed With his help she can overthrow Washington and take control leading the others out of a life of prostitution and misery Gateway Wing ,1998 *The Life and Words of Chris* John Cunningham Geikie,1891

Media Ethics and Self-regulation Chris Frost,2000 The British press has been accused of drinking in the Last Chance Saloon Now with the coming of the new millennium many fear that broadcasters are also getting a taste for the commercially popular cocktail of sensation and intrusion that it sells But does it have to be like that Are journalists doomed to ignore stories about important public interest issues in favour of titillating tales that pander solely to the public s prurient curiosity Are docusoaps and current affairs series based on questionable evidence replacing the award winning documentary programmes of past years Media Ethics and Self Regulation looks closely at the moral dilemmas facing journalists in their day to day working lives and examines the self regulatory bodies that police the various codes of practice **Surrey**
