## **Ocd Finding Hope On The Edge Of Insanity:**

Ocd Marc J. Grimaldi,2010-06 Yes I have spent time conversing with the gatekeeper of the bridge that leads to insanity But by the grace of God I have also found great hope right there on the edge of insanity I have found victory in the grace of God that continually comes to me in Jesus Christ And I have even found benefit and spiritual profit from the humbling barbaric condition of OCD My goal in this book is certainly not to list all of the specific ways in which I have experienced the toilsome burdens and torments of OCD I could probably write several volumes on that topic alone However I realize that there are some perhaps even many out there who likewise have these kinds of dreaded experiences and I want to share with you the hope and victories that I have found in the battles as well There are not many books out there that address OCD from a biblical standpoint and there are even fewer if any that address it from a biblical and personal standpoint Being able to relate directly to someones experience is always beneficial when seeking helpful solutions By the grace of God my ongoing battles with OCD have enabled me to discover a lot more about the condition along with many key helpful tools that can help aid the OCD sufferer in the battle

**Life on the Border** Devan Ramsey,2022-09-07 What s it like living on the edge of insanity It can sometimes be a living hell not knowing if what your brain is telling you is real or if it s playing tricks on you We are not mental health professionals with degrees we are average people who have learned how to cope with our symptoms Most of us have more than one diagnosis Mental illness doesn t get zapped away by medications or therapy People with depression can t just snapped out of it like many friends and loved ones have told us to do One person copes with PTSD by writing comic books to manage their symptoms and another has tried EMDR Eye Movement Desensitization and Reprocessing One person shares what Photophobia is a type of anxiety that you wouldn t think is a mental illness If relapse occurs like when depressed our personal hygiene goes out the window we have learned how to reach out to others especially to our close friends and our mental health professionals There s nothing shameful about having mental or emotional illness and it s perfectly normal to ask for help
