*The Global Nexus 2025* Dr. Pratisha Kumari, Dr. J P Dash, Dr. Sandhya M. Khedekar, 2025-03-25 It is with great pride and deep appreciation that we present this special volume of *The Global Nexus 2025* a compendium of scholarly works that reflect the remarkable spirit of research innovation and collaboration across disciplines. This publication stands as a celebration of intellectual rigor and a testament to the power of global academic exchange. We take this opportunity to extend our heartfelt congratulations to all the authors whose manuscripts have been selected for inclusion in this prestigious ISBN publication. Your work has been chosen through a rigorous peer review process reflecting both the quality of your research and its relevance to the evolving discourse in management, law, humanities, and social sciences. Each accepted manuscript adds immense value to this volume contributing to the collective knowledge that will inform future research policy and practice. Your contributions go beyond the printed pages; they are voices in a global dialogue that seeks to reshape our understanding of the world and our approach to its challenges. As editors, we have been inspired by your dedication, originality, and commitment to excellence. It is your pursuit of knowledge and innovation that truly makes *The Global Nexus 2025* a meaningful and impactful initiative. We also extend our sincere gratitude to the partner institutions: Eudoxia Research University USA, Eudoxia Research Centre India, IISc Mumbai India, National Academy of Defence Production Nagpur, and Gokhale Education Society's SMRK BK AK Mahila Mahavidyalaya Nashik for their unwavering support in making this international conference and publication a resounding success. We hope this book not only serves as a reference for scholars and practitioners across the globe but also as an inspiration for future explorations and collaborative efforts in academic and applied research. Once again, congratulations to all contributing authors. Your voices have become part of a global movement toward knowledge-driven progress.

**County Council Scholarships** Great Britain. Board of Education, 1900 **Toward a Scholarship of Practice** John M. Braxton, 2017-07-17 Ensure that your institutional policy and practice are guided by empirical research and scholarship rather than by mere common sense trial and error or a shoot from the hip basis for institutional action. The two primary goals of a scholarship of practice are 1) improving administrative practice in higher education and 2) developing a knowledge base to guide such practice. To attain these goals, campuses must use the findings of empirical research as the basis for developing institutional policy and practice. The result: Improved administrative practice in higher education both at a campus level and for higher education as a social institution. This is the 178th volume of the Jossey Bass quarterly report series *New Directions for Higher Education*. Addressed to presidents, vice presidents, deans, and other higher education decision makers on all kinds of campuses, it provides timely information and authoritative advice about major issues and administrative problems confronting every institution. **The Journal of Education**, 1899 **Scholarship Book** Daniel J.
