Webcomics Steven Withrow,John Barber,2005 This instructive guide to an exciting new art medium was written for the cartoonist who knows a lot about drawing color and design but doesn't know how to apply his talents to computer technology. Webcomics shows artists how to get into the fast growing field of online comics. Created digitally and distributed on the Internet, some for free, others on subscription, webcomics range in style from traditional looking cartoon strips to innovative works that often integrate imagery from photography, video, and other visual arts. This book offers detailed advice on how to design, create, and publish online comics. It also showcases the best webcomics work being produced today. Interviews with leading artists walk readers through all the essential steps in the various creative processes, starting with a story idea and developing it into a finished graphic narrative. More than 400 full color illustrations, diagrams, and examples of webcomics works.
