## **New Babylonians A History Of Jews In Modern Iraq:**

**New Babylonians** Orit Bashkin, 2012-09-12 Although Iraqi Jews saw themselves as Iraqi patriots their community which had existed in Iraq for more than 2 500 years was displaced following the establishment of the state of Israel **New Babylonians** chronicles the lives of these Jews their urban Arab culture and their hopes for a democratic nation state It studies their ideas about Judaism Islam secularism modernity and reform focusing on Iraqi Jews who internalized narratives of Arab and Iraqi nationalisms and on those who turned to communism in the 1940s As the book reveals the ultimate displacement of this community was not the result of a perpetual persecution on the part of their Iraqi compatriots but rather the outcome of misguided state policies during the late 1940s and early 1950s Sadly from a dominant mood of coexistence friendship and partnership the impossibility of Arab Jewish coexistence became the prevailing narrative in the region and the dominant narrative we have come to know today **Baghdadi Jewish Networks in the Age of Nationalism** S. R.

Goldstein-Sabbah, 2021-05-25 **Baghdadi Jewish Networks in the Age of Nationalism** traces the participation of Baghdadi Jews in Jewish transnational networks from the mid nineteenth century until the mass exodus of Jews from Iraq between 1948 and 1951 Each chapter explores different components of how Jews in Iraq participated in global Jewish civil society through the modernization of communal leadership Baghdadi satellite communities transnational Jewish philanthropy and secular Jewish education The final chapter presents three case studies that demonstrate the interconnectivity between different iterations of transnational Jewish networks This work significantly expands our understanding of modern Iraqi Jewish society by going beyond its engagement with Arab Iraqi nationalism or Zionism anti Zionism to explore Baghdadi participation within Jewish transnational networks **Routledge Handbook on Zionism** Colin Shindler, 2024-06-28 This Handbook the first of its kind

provides an in depth examination of the evolution ideology history and culture of Zionism and its various movements Distancing itself from the slogans and cliches of advocacy the volume provides much needed context and background on the emergence of Zionism The Handbook is divided into eight parts with contributions from some forty of the world s leading scholars on Zionism to elucidate its various strands These include underrepresented areas such as Zionism in the Arab World before the establishment of the State of Israel Zionism and Marxism the emergence of the Zionist Right the language war between Hebrew and Yiddish the struggle for Jewish women s suffrage the poetry of Lea Goldberg and Zionism in emerging new Jewish communities in locations like Papua New Guinea Guatemala and Zimbabwe Another section on Zionism in repressive states stretches from an examination of Zionism in Hitler s Germany to the Ayatollahs Iran today from subterranean Zionism in Stalin s Russia to apartheid South Africa The volume concludes by examining current issues including the relationship between evangelicals and Zionism in the US and the representation of Zionism in the age of the internet Providing a sweeping overview of Zionism in its many forms the volume will appeal to students researchers and general readers interested in Jewish studies in the Middle East and beyond as well as those seeking to understand the roots

of contemporary Israel      **The Routledge Handbook of Muslim-Jewish Relations** Josef Meri, 2016-06-23 The Routledge Handbook of Muslim Jewish Relations invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique and original collaborations between internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and scholarship in the academy and beyond      **Arab Responses to Fascism and Nazism** Israel Gershoni, 2014-07-15 The first book to present an analysis of Arab response to fascism and Nazism from the perspectives of both individual countries and the Arab world at large this collection problematizes and ultimately deconstructs the established narratives that assume most Arabs supported fascism and Nazism leading up to and during World War II Using new source materials taken largely from Arab memoirs archives and print media the articles reexamine Egyptian Syrian Lebanese Palestinian and Iraqi responses in the 1930s and throughout the war While acknowledging the individuals forces and organizations that did support and collaborate with Nazi Germany and fascist Italy Arab Responses to Fascism and Nazism focuses on the many other Arab voices that identified with Britain and France and with the Allied cause during the war The authors argue that many groups within Arab societies elites and non elites governing forces and civilians rejected Nazism and fascism as totalitarian racist and most important as new more oppressive forms of European imperialism The essays in this volume argue that in contrast to prevailing beliefs that Arabs were de facto supporters of Italy and Germany since the enemy of my enemy is my friend mainstream Arab forces and currents opposed the Axis powers and supported the Allies during the war They played a significant role in the battles for control over the Middle East

**Educational Oases in the Desert** Jonathan Sciarcon, 2017-01-01 A history of the French schools that pioneered female education in Ottoman Iraq s Jewish communities During the late nineteenth and early twentieth centuries the Alliance Isra lite Universelle AIU a Paris based Jewish organization founded dozens of primary schools throughout the Middle East Many were the first formal educational institutions for local Jewish children In addition to providing secular education the schools attempted to change local customs and regenerate or uplift communities Educational Oases in the Desert explores the largely forgotten history of the AIU s schools for girls in Ottoman Iraq Drawing on extensive archival research Jonathan Sciarcon argues that teachers viewed female education through a gendered lens linked to their understanding of an ideal modern society As the primary educators of children women were seen as society s key agents of socialization The AIU thus concluded that its boys schools would never succeed in creating polished westernized men so long as women remained uneducated leading to the creation of schools for girls Sciarcon shows how headmistresses acted not just as educators but

also as models of modernity trying to impart new moral and aesthetic norms onto students      **Radical Jewish Politics**

Nathaniel Deutsch,Alma Rachel Heckman,Tony Michels,2025-12-09 For the first time this volume centers the rich but little known history of radical Jewish politics in the Middle East and North Africa and puts it into conversation with developments in the Americas South Africa Soviet Asia and Europe Jews were attracted to radical politics in the nineteenth and twentieth centuries to transform the societies they lived in but also out of a deep desire to belong Somewhat paradoxically then radical politics held out the enticing possibility of normalization for Jews even as it frequently resulted in their further alienation or persecution In some cases Jewish radicals sought recognition and autonomy as Jews in others Jews labored to be accepted as full fledged citizens of their home countries in still others they tried to escape Jewishness altogether Jewish experiences of modernity colonialism race nationalism emancipation war and migration serve as the connective tissue that binds together radical Jewish politics from Baghdad to Buenos Aires      Always Carry Salt Samantha Ellis,2026-01-06 A life affirming

memoir about resilience and repair and the healing power of our ancestor s music stories and recipes Samantha s mother tongue is dying out The daughter of Iraqi Jewish refugees Samantha grew up surrounded by the noisy vivid hot sounds of Judeo Iraqi Arabic A language that s now on the verge of extinction The realization that she won t be able to tell her son he s living in the days of the aubergines or chopping onions on my heart or reminding him to always carry salt opens the floodgates The questions keep coming How can she pass on this heritage without passing on the trauma of displacement Will her son ever love mango pickle In her search for answers Samantha encounters demon bowls the perils of kohl and the unexpected joys of fusion food Her journey transports us from the clamour of Noah s Ark to the calm of the British Museum from the Oxford School of Rare Jewish Languages to the banks of the River Tigris As Samantha considers what we lose and keep she also asks what we might need to let go of to preserve our culture and ourselves Always Carry Salt is an immersive and moving meditation on the words and traditions that shape us and what we carry forward into future generations      *The*

*New Babylonian Diaspora* Zvi Yehuda,2017-08-28 *The New Babylonian Diaspora* Rise and Fall of Jewish Community in Iraq 16th 20th Centuries C E provides a historical survey of the Iraqi Jewish community s evolution from the apex of its golden age to its disappearance emergence rapid growth and annihilation Making use of Judeo Arabic newspapers and archives in London Paris Washington D C and other sources Zvi Yehuda proves that from 1740 to 1914 Iraq became a lodestone for tens of thousands of Jewish immigrants from Kurdistan Persia the Mediterranean Basin and Eastern and Central Europe After these Jews had settled in Baghdad and Mesopotamia they became Babylonians and forgot their lands of origin contrary to the social habit of Jews in other communities throughout history      Impossible Exodus Orit Bashkin,2017-08-08 An exceptional expos of the sufferings of the Iraqi and Mizrahi Jews in Israel during the 1950s vlglen Shofar Between 1949 and 1951 123 000 Iraqi Jews immigrated to the newly established Israeli state Lacking the resources to absorb them all the Israeli government resettled them in maabarot or transit camps relegating them to poverty In the tents and shacks of the camps

their living conditions were squalid and unsanitary Basic necessities like water were in short supply when they were available at all Rather than returning to a homeland as native sons Iraqi Jews were newcomers in a foreign place Impossible Exodus tells the story of these Iraqi Jews first decades in Israel Faced with ill treatment and discrimination from state officials Iraqi Jews resisted they joined Israeli political parties demonstrated in the streets and fought for the education of their children leading a civil rights struggle whose legacy continues to influence contemporary debates in Israel Orit Bashkin sheds light on their everyday lives and their determination in a new country uncovering their long painful transformation from Iraqi to Israeli In doing so she shares the resilience and humanity of a community whose story has yet to be told Praise for Impossible Exodus Orit Bashkin sheds light on a case of historical injustice Impossible Exodus will greatly enhance our understanding of the pain discrimination and struggle to survive in a different culture that those immigrants had to endure Abbas Shibliak University of Oxford A marvelously clear eyed and compassionate recovery of the experience of Iraqi Jews forced to seek a new life in Israeli transit camps Orit Bashkin gives these people voice agency and sympathetic understanding in their complex struggles against discrimination and cultural loss Roger Owen Harvard University What is distinctive about Bashkin s book on Iraqi Jews is the many stories she recovers that describe not only the difficulties encountered by immigrants but also the humiliations imposed by thoughtless and prejudiced officials put in charge of people whose culture they neither understood nor respected Donna Robinson Divine Middle East Journal
