Managing Recruitment and Onboarding Richard Skiba, 2024-08-22 This guide is an essential resource for professionals tasked with managing recruitment and onboarding processes within an organization. Whether you are directly involved in recruiting new staff or responsible for coordinating the process, this book provides a thorough understanding of the skills and knowledge required to effectively manage these essential HR functions. The book begins with an exploration of existing recruitment and onboarding policies and procedures, guiding readers on how to identify and evaluate them in the context of their organization. It delves into assessing technology options to enhance the efficiency and effectiveness of recruitment processes, providing practical advice on selecting and implementing tools that streamline hiring workflows. A significant portion of the book is dedicated to updating and refining policies and procedures to align with organizational requirements. Readers will learn how to obtain support from relevant stakeholders and create or adjust forms and documents that underpin these policies. Effective communication and training strategies are emphasized to ensure that all relevant staff are well informed and capable of adhering to updated procedures. The book also covers critical aspects of human resource planning, including determining future HR requirements in collaboration with stakeholders and ensuring that position descriptors are current and accurately used throughout the recruitment process. It provides detailed guidance on advertising vacant positions in compliance with legislation and organizational policies, consulting with specialists when necessary, and adhering to selection procedures that meet legal and organizational standards. Additional chapters address the importance of timely and accurate job offers and contracts, providing new appointments with relevant advice and ensuring that onboarding processes are consistently applied across the organization. The book also covers the management of probationary employees, the provision of feedback, and the collection of participant and stakeholder feedback on the onboarding process. Finally, readers are equipped with strategies for updating onboarding policies and procedures based on feedback, ensuring continuous improvement and alignment with organizational goals. This book is an invaluable tool for HR professionals seeking to optimize their recruitment and onboarding practices and contribute to the overall success of their organization.

Training Budgets Step-by-Step Diane C. Valenti, 2004-01-16 Training Budgets Step by Step is a useful guide that walks you through each phase of the process so that you will have the information you need to develop a successful training plan and accurate budget that will get results for your organization. Training Budgets Step by Step gives you clear-cut instructions on how to perform each step. An illustrative case study that helps define every phase of the process. Blank templates that you can tailor to your organization. Written by training expert Diane Valenti, the book shows you everything from how to conduct the data gathering process to help determine the types of training to create to how to present a completed budget. 340 pages that aligns strategically with your organization's goals. Every step of the way, the author provides a wealth of templates, worksheets, lists of questions to ask, action plans, flow charts, interview summary sheets, and other helpful job aids. Training

Budgets Step by Step also includes a CD ROM that contains the book s worksheets and templates that can be easily reproduced and customized
