Never Swim Alone And This Is A Play:

Never Swim Alone Daniel MacIvor, 2016 A new publication of Never Swim Alone and This Is A Play two of Daniel MacIvor's most enduring plays Theatricality and the Arts Richard Rushton, Andrew Quick, 2024-04-30 Theatricality and the Arts presents a series of investigations of the notion of theatricality. Primarily theatricality concerns that which pertains to theatre but the term has always carried with it the potentially pejorative associations of exaggeration and fakery. The essays here question and contest such associations. The book is divided into four sections which together provide a comprehensive interrogation of theatricality. The four sections begin with multimedia where theatricality is examined in relation to mixed modes of media internet art, painting, performance and digital display. A second section takes a philosophical approach to questions of theatricality. A third section looks at art broadly speaking but also at the historical contexts of art, photography and other media literature, film, music. A final section features reflections on theatre and cinema often in conjunction. Considered as a whole the collection contributes to debates on theatricality in various fields while also enabling a cross examination of approaches to the topic.
