[Successful New Employee Orientation](#) Jean Barbazette, 1994-03-28 Create a dynamic effective orientation program The most common complaints about a new employee orientation are that it is boring and overwhelming or that nothing happens and the new person is left to sink or swim The

result is often a confused new employee who is not productive and is more likely to leave the organization within a year Your orientation needs to be a planned welcome that reaffirms your hiring decision Use this bestselling resource to meet orientation objectives such as Provide critical information and resources in a timely manner Make the new employee independently productive quickly Teach essential safety and job skills and more Successful New Employee Orientation will help you design or revise an orientation program that is effective and full of variety It offers a wealth of suggestions and includes myriad checklists examples sample letters activities and evaluation forms A CD ROM with presentation slides and customizable forms is also included Even if you re a novice these user friendly materials will help you create a vibrant orientation program that will make your new hires feel welcome and give them the resources they need to be confident when they start their new jobs
