**James Robert White**

## **New Age Bible Versions:**

**New Age Bible Versions** G. A. Riplinger, 1993-01-01 G A Riplinger objectively and methodically documents the hidden alliance between new versions and the New Age Movement's one world religion. If you only read one book on the version issue this is the book. It is so powerful the devil despises it. This international bestselling book is the result of an exhaustive six year collation of new Bible versions, their underlying Greek manuscripts, editions and editors. It objectively and methodically documents the hidden alliance between new versions and the New Age Movement's one world religion. Publisher **New**

**Age Bible Follies** Albert M. Mcilhenny, 2011 [New Age Bible Versions](#) David W. Cloud, 1994 **Differences Between**

**Bible Versions: Third Edition** Gary F. Zeolla, 2012-04-18 This book answers such questions as Why do Bible versions differ? Why does the same verse read differently in different versions? Why do some versions contain words, phrases and even entire verses that other versions omit? Which Bible versions are most reliable? This book contains extensive discussions on why the author believes either a literal or a formal equivalence word for word translation principle is the best method to use for translating the Bible. These principles of translating are contrasted with the dynamic equivalence phrase for phrase and paraphrase methods seen in many modern Bible versions. This book includes detailed discussions on why the author believes the Majority Text is the most accurate of the three Greek texts used in Bible translation. This book also contains an extended section critiquing the claims of KJV onlyists. In addressing these various issues, **Differences Between Bible Versions** compares forty different versions of the Bible.

**The King James Only Controversy** James R. White, 2009-06 Authoritative answers defending the modern translations from those who say the King James is the only true Bible shows how Bible translation actually works.

[New Age Bible Versions Refuted](#) James Robert White, 1994 **The Facts on the King James Only**

**Debate** John Ankerberg, John Weldon, 2011-04-15 The Bible is a marvelous treasure, one of the primary purposes of translators is to make sure that treasure is available to everyone. Many groups believe the King James Version is the only acceptable Bible translation but is that true? Learn about the translation process, how translations are made, a comparison of the King James Bible with more recent versions, ways pastors which Bible translation is best for you. Offering specific examples, an overall analysis of King James Only claims, the authors explore the controversy, other biblical guidelines that will enable you to evaluate and resolve this important issue.

[The Bibles of Babylon](#) Dennis H. Boone, 2024 Many sincere Christians are unaware of the questionable changes that have been made to God's Word and the impact those changes have had or will eventually have on key Christian doctrines taught in the Bible. The King James Version (KJV) After studying and researching this controversial topic for thirty two years, the author presents information that will address many questions you might have about the modern bible versions. It's a crucial issue for the church today because it will reveal a great deal about the nature of our commitment to biblical authority and our approach to the interpretation of Scripture. As Christians we may not agree on every jot and tittle but the author believes Christians who study God's Word are very astute people and deserve to know.

and understand the spiritual issues they face so they can make an informed decision based on biblical principle and the authority of God's Pure Word. The Bibles of Babylon is not an exhaustive study about which Bible is the Word of God. Instead it is an attempt to speak the truth in love Eph 4:15 while sounding a spiritual warning about the inherent dangers in using many modern bibles. It presents a simple nontechnical approach to an issue that hopefully will challenge readers and especially church leaders to investigate for themselves the weight of evidence presented. There have been scores of books written for and against the KJV so readers will need to decide on which side of the issue they stand. The examples presented in this book are just a small sampling of the thousands of changes that have been made to God's Word to cast doubt upon its veracity and cause confusion in the hearts and minds of His people. The author's prayer is that all Christians, particularly Seventh day Adventists who truly love God's Word will carefully and prayerfully compare Scripture with Scripture to be certain what they read in one place of the Bible does not contradict what is said in another. Let's remember what God told His people through the prophet Hosea: My people are destroyed for lack of knowledge Hosea 4:6
