Malloy,2012-11-01 The small town of Medjugorje Bosnia Herzegovina was a simple and unassuming farming community unheard of to most people But all that changed during the summer of 1981 and it has since been the meeting place of millions of pilgrims In Fingerprints of God author Stephen J Malloy chronicles the reported miracles and extraordinary supernatural activity that have occurred in Medjugorje since that time It all started when five teenagers and a ten year old boy began to report in tandem that they were having heavenly visions According to their witness the Madonna the Virgin Mary had begun appearing to them in order to call the world to an urgent conversion reconciliation and peace through Jesus Christ Fingerprints of God uniquely combines the authors own experiences as a pilgrim to Medjugorje a detailed description of the central messages given by the Virgin Mary according to the six visionaries stories about miraculous healings and extraordinary signs the meaning of the ten secrets concerning prophesied events to occur in Medjugorje and in the wider world thorough examination of what the Catholic Church has said in its official capacity concerning the reported apparitions and related phenomena positive assessments of renowned theologians relationship made between the Medjugorje messages Christian morality and biblical revelation especially the teachings of Jesus Celebrating thirty one years of the Madonnas special presence Fingerprints of God accounts that Medjugorje has been host now to more than twenty eight million pilgrims from all over the world *New American Bible St Joseph Edition* ,1990 *Together in the Space Between* Greg Kinsch,2015-03-25 In Together in the Space Between author Greg Kinsch compiles information from various disciplines not usually seen as compatible by postindustrial

modern man It discusses how the world and universe operate and how that knowledge can be used to help move the human species toward peace on earth He begins with the premise that current paradigms wont work in the coming years because the exponential growth and decay that underlie their functioning is unsustainable He goes on to say that our product based way and view of life has had a devastating effect on our understanding of process in our lives Kinsch goes to the root of the problem and discusses How the workings of our brain show our perceptions may be unreliable and we may have some control over our own perceptions of happiness The phenomenon of near death experiences and why they occur more frequently in the modern age Why man is progressing toward a higher consciousness and that these experiences are part of the evolutionary process The zero point field a part of quantum physics showing that what seems impossible is capable of being studied and researched World religions and the role theyve played in the world to this point After admitting the failure of religion to remain open to truth in others Together in the Space Between offers hope through Kinschs unique interpretation of the Eucharist He offers a survival guide to adapt to the changes that need to be made and are certainly coming

Get Real Michael Hickey,2012-02-16 From the Preface Get real was a slang term that became popular in the 1960 s when Michael Hickey was growing up in East Boston It implied that someone wasn t in touch with reality and had to change their way of thinking or living If you put on the television today all you might find is one of the hundreds of so called reality TV shows More often than not these reality shows are illusions of reality because the real persons utilized as actors performers are seemingly coached to act in certain ways by the directors judges or producers who really control the reality Nonetheless reality TV is a modern phenomenon people watch it constantly and that does indicate a high degree of the public s interest in some concept of reality As for mystery it seems we are approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the

populace doesn't view reality in the context of mystery. They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality. Hickey's goal is that *Get Real* will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint. Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality.
