Digital Tools for Academic Branding and Self-Promotion Cabrera, Marga, Lloret, Nuria, 2016-10-31 Reputation can be a pivotal factor to potential success throughout one's academic career. By utilizing available technological assets and tools, professionals can effectively manage their personal brands. *Digital Tools for Academic Branding and Self-Promotion* is an authoritative reference source for the latest research on the interrelationship between digital branding and academic reputation. Showcasing relevant digital platforms and techniques, this book is a compendium of vital material for academics, professionals, practitioners, and marketers interested in effective reputation management. **Tap, Move, Shake** Todd Moore, 2011-12-19 Got a great game idea? This complete do-it-yourself guide shows you how to make your game idea a reality for the iPhone and iPad. By developing a real game hands-on through the course of this book, you'll get a thorough introduction to Xcode and Objective-C while learning how to implement game logic, sophisticated graphics, game physics, sounds, and computer AI. Author Todd Moore taught himself how to create an iPhone game in a week with no previous knowledge of Apple's development tools. Now he develops smartphone games and apps full-time. With this book, any coder can turn game ideas into real products ready for the App Store. Get started by writing a simple game in only 20 lines of code. Build a complete air hockey game from scratch. Learn best practices for tracking multiple screen touches. Use animation loops and create collision functions. Get the tools you need to build your own stunning game graphics. Apply game physics to give your game a sense of realism. Record and edit lifelike sound effects and create your own background music. Design a computer player with different levels of difficulty. Featuring an introduction by Steve Wozniak, Todd Moore founded TMSOFT to create unique smartphone applications and games. His most popular game title, *Card Counter*, was featured by Engadget, the Los Angeles Times, and CNET TV. Todd's most popular application, *White Noise*, was featured by iTunes, Health Magazine, The Washington Post, PC Magazine, and Late Night with Jimmy Fallon. **Tech-Savvy Reading Promotion** Nancy J. Keane, 2019-04-17 Unleash new possibilities for reading promotion and readers advisory with these technological tools that can help you to catch the interest of young readers and direct them toward positive reading experiences. Gone are the days of browsing library bookshelves; today's readers live much of their lives on their devices. Learn how to meet these young readers in their online activities by using technological tools that support independent reading and reading choices. This book shows you how to use not only more traditional social media such as Facebook and blogs but also video, audio, and print applications, databases, and more. You'll learn how to use new apps such as Moovly, Koma Koma, and Booksnap, as well as known media including Twitter, Skype, Flickr, and Goodreads, and SoundCloud, Smore, Flipgrid, and eBook clubs for reading promotion and readers advisory. For each of these technologies, you'll find a brief description of the platform, its content, and applications; notes about the platform and its cost; how to use it for book promotion; and step-by-step instructions for promotional activities. Screenshots and drawings illustrate the instructions. *Applications of Mathematics in Science and Technology* Bui Thanh
