## **Lowes Tips Customer Service:**

**HAPPY SERVING** J. RANDALL ALLBRIGHT,2018-04-24 Happy Serving is a collection of thoughts that I would define as part devotional part leadership book and part text book It is a motivational writing to bring out the very best ethical and superior service in every thing you do The short essays tips will often end with a question or thought These questions and thoughts will beg for reflection and action I believe this book will inspire and motivate you and your employees to be your best in everything you do by offering tips and advice for serving the customer It will break down the negative observations as well as the positives of REAL life examples This journey of life will travel through my analytical eyes noting good and bad work ethics mindsets and mentalities toward the service of others My desire is that this book will assist you and your employees to excel with unparalleled service to others Though the focus is largely from the pre engineered steel industry the principles within apply in any business sector

**111 Tips to Create Impressive Videos** Doris-Maria Heilmann,2021-01-20

Have Fun and Earn Money With Your Videos No matter if you want to become a YouTube star or just want to produce just leisurely videos educational videos marketing and business communication videos or movie and book trailers you will find lots of valuable ideas and suggestions If you are looking for new ways to drive traffic to your business and your social media accounts through video this is the book for you Your audience needs to be intrigued inspired and informed by an outstanding video viewing experience Walt Disney once said I would rather entertain and hope that people learned something than educate people and hope they were entertained Rather than focusing too much on equipment the focus of this book is on the art of creating videos that viewers want to watch over and over Find more than 111 tips on how to create professional videos that enchant your audience Get detailed instructions in this book on how and where to market and profit from your video production
