

The background of the book cover is a photograph of an industrial robotic arm in a factory. The arm is white and green, with a black gripper at the end. It is positioned in the center-right of the frame. To the left of the arm, there is a large, vertical, cylindrical component, possibly a part of a machine or a storage tank, with a green label. The floor is concrete, and there are yellow safety lines painted on it. The overall scene is a typical industrial environment.
