Origins Of Christs New Covenant

Bart D. Ehrman

Origins Of Christs New Covenant:

Origins of Christ's New Covenant Alfred D. Holcombe, Suzanne M. Holcombe, 2003 When the Bible's symbolic codes are broken intricately woven spiritual threads are unveiled linking the biblical first and last Adam through a sequential system of reincarnation Among other revelatory divulgences is the rather astonishing fact that angelic figures referred to as morning stars entered into the earth plane in the beginning with Adam before His final appearance as Jesus of Nazareth to implement His New Covenant That many of these stars have since repeatedly manifested here through the ages inspires the rhetorical question Were you here in the beginning when the morning stars sang together and all the Sons of GOD shouted for joy Job 38 7

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2 5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus *History of the Development of the Doctrine of the Person of Christ ...* Isaak August Dorner, 1891 *Philosophy and Development of Religion: Origin and development of Christianity* Otto Pfleiderer, 1894
