Balancing Life and Education While Being a Part of a Military Family Jillian Ventrone, Paul Karczewski, Robert W. Blue Jr., 2017-02-15 Military spouse education is an often overlooked topic With the proliferation of service member programs and benefits and the spotlight on them it is not uncommon for spouses to neglect looking into their own educational opportunities and benefits The hectic life of a military family also often complicates the process of attending an institution of higher education for spouses There are numerous programs and benefits that a spouse may have access to but they are difficult to find and navigate properly Balancing Life and Education While Being a Part of a Military Family A Guide to

Navigating Higher Education for the Military Spouse attempts to highlight these possibilities and inform and assure this population that attaining an education is possible regardless of location or current circumstances. Numerous programs and benefits are described as well as the best way to go about using them. Detailed instructions are illustrated to make the process of obtaining an education easier and to give spouses more confidence in pursuing their own education. In addition, the specific considerations of military family life are addressed along with these instructions. Education is really important and a lot of times military spouses aren't aware of the opportunities and resources available to them to pursue it. The authors of *From the Navy to College*, *Transitioning from the Service to Higher Education* and *From the Army to College*, *Transitioning from the Service to Higher Education* have put together a clear guidebook that will make the process easy, accessible, and understandable. They offer clear advice and information about resources available to spouses of service members creating a go-to guide for pursuing higher education.
