*The Bezos Letters* Steve Anderson, 2020-03-19 Amazon is the fastest company ever to reach 100 billion in sales and they didn't reach that landmark by staying in their comfort zone Risk taking is the key that unlocked the door to growth at Amazon but those risks were and are intentional calculated and strategic Thomas Edison believed I have not failed I've just found 10 000 ways that won't work and Amazon's founder Jeff Bezos has always linked experimentation and failure with growth and success But risk taking can be costly even disastrous if you don't know how to use it to your advantage Fortunately Bezos has provided every business owner a hidden in plain sight roadmap for how he grew Amazon through his Letter to Shareholders or as he named them share owners that he has written annually for the past 20 years For the first time Technology and Risk expert Steve Anderson has analyzed and distilled these letters to reveal the key 14 Growth Principles that unlock the lessons mindset and steps Bezos has used to make Amazon the massive success it is today Now business owners leaders CEOs employees and managers can apply these same principles to grow their business to be more efficient productive and successful fast

**Bezonomics** Brian Dumaine, 2020-05-12 An easy and engaging read

Quite often though it is eye opening Hugo Rifkind The Times Does a valuable job of explaining how Amazon sees itself Financial Times Amazon is the business story of the decade Jeff Bezos the richest man on the planet has built one of the most efficient wealth creation machines in history Like a giant squid Amazon s tentacles are squeezing industry after industry and in the process upsetting the state of technology the economy job creation and society at large So pervasive is Amazon s impact that business leaders in almost every sector need to understand how this force of nature operates and how they can respond to it Saying you can ignore Jeff Bezos is equivalent to saying you could ignore Henry Ford or Steve Jobs in the early years of Ford and Apple These titans monumentally changed how we do business redefining the rules on a global scale Amazon founder Jeff Bezos is the new disruptor on the block He has created a 21st century algorithm for business and societal disruption He has turned the retail industry inside out is swiftly dominating cloud computing media and advertising and now has his sights trained on every other domain where money changes hands and business is transacted But the principles by which Bezos has achieved his dominance customer obsession extreme innovation and long term management all supported by artificial intelligence turning a virtuous cycle flywheel are now being borrowed and replicated Bezonomics is for some a goldmine for others a threat for still others a life shaping force whether they re in business or not Brian Dumaine s Bezonomics answers the fundamental question how are Amazon and its imitators affecting the way we live and what can we learn from them
