Revitalizing a Nation Clifford Winston, Jia Yan, 2023-12-20 An efficient transportation system reduces the cost of distance by moving people and goods from their origins to their destinations as cheaply quickly and safely as possible By enabling individuals and firms to be more productive transportation provides the foundation for the development and growth of industries and an entire economy Clifford Winston Jia Yan and Associates argue that competition and innovation are the key drivers of an efficient transportation system The authors provide new evidence that transportation deregulation and privatization that spur additional competition among carriers and infrastructure providers as well as new innovations that create autonomous transportation services have the potential to rid the US transportation system of its major inefficiencies and revitalize the nation The Army After Next Thomas K. Adams, 2008 Thomas K Adams critiques the US government's army reform programme He provides timely coverage of the wars in Iraq and Afghanistan and the generals revolt against Rumsfeld The author has 34 years military experience to back up his arguments
