 and utilities and governments are using SAP software to process their most mission critical highly sensitive data With more
 than 100 000 installations SAP is the world s largest enterprise software company and the world s third largest independent
 software supplier overall Despite this widespread use there have been very few books written on SAP implementation and
 security despite a great deal of interest There are 220 000 members in an on line SAP community seeking information ideas
 and tools on the IT Toolbox Website alone Managing SAP user authentication and authorizations is becoming more complex
 than ever as there are more and more SAP products involved that have very different access issues It s a complex area that
 requires focused expertise This book is designed for these network and systems administrator who deal with the complexity
 of having to make judgmental decisions regarding enormously complicated and technical data in the SAP landscape as well
 as pay attention to new compliance rules and security regulations Most SAP users experience significant challenges when
 trying to manage and mitigate the risks in existing or new security solutions and usually end up facing repetitive expensive re
 work and perpetuated compliance challenges This book is designed to help them properly and efficiently manage these
 challenges on an ongoing basis It aims to remove the Black Box mystique that surrounds SAP security The most
 comprehensive coverage of the essentials of SAP security currently available risk and control management identity and
 access management data protection and privacy corporate governance legal and regulatory compliance This book contains
 information about SAP security that is not available anywhere else to help the reader avoid the gotchas that may leave them
 vulnerable during times of upgrade or other system changes Companion Web site provides custom SAP scripts which readers
 can download to install configure and troubleshoot SAP **Oracle 10g Database Administrator** Gavin Powell, 2007 CD
