1 Make low carb bread crumbs for breaded foods

Foods like chicken Parmesan and stuffed peppers need to have a bread crumbs to have that full taste

While you may be able

to buy low carb bread crumbs you can also make them by using low carb bread Simply toast the low carb bread in the oven on a cookie sheet Once it is hard grind it up in the food processor or blender 2 Use soy flour or bake mix When you need to use flour for baking or coating breaded foods substitute soy flour or a bake mix like Atkins bake mix You can convert your favorite recipes that use white flour to use these 3 Use low carb chocolate bars for cookies and muffins Now that you've converted your favorite chocolate chip cookie recipe using soy flour you don't want to put in those high carb chocolate chips Chop up a low carb chocolate bar into small pieces and use that instead 4 Use Splenda instead of sugar Recipes that call for sugar can be modified to use Splenda instead It is much lighter so you will have to experiment with it and it may not work for everything but it does bake up nice for the most part 5 Make great smoothies with low carb yogurt Ok well it's not technically cooking but if you love smoothies you can make them with low carb yogurt and fruit Just make sure you use fruit that is low in carbs and the whole fruit not the juice as the fiber will help keep down the net carbs Check my site below for a list of low carb fruits Add a dash of vanilla or flavored syrup to the smoothie for added flavor 6 For a great low carb pasta substitute use spaghetti squash We all know that low carb pasta tastes horrible so why not try a food that is low in carbs and natural too Cut the squash in half and bake at 400 degrees F for about 40 minutes The squash will scrape out in strings and gives the texture and feeling of spaghetti Trust me it tastes a lot better than the low carb pasta and has about 7 grams carbs per 1 cup serving Enjoying a delicious dessert at the end of a great meal is one of life's sweetest pleasures Moist vanilla cupcakes with chocolate buttercream warm pumpkin pie carrot cake with cream cheese frosting fresh brownies Or just imagine the smell of freshly baked chocolate chip cookies wafting from your kitchen Just thinking about these decadent creations makes your mouth water and few of us have the willpower to resist But we often feel guilty for indulging in sweet treats After all most desserts are filled with sugar refined carbohydrates and unhealthy fats and they pack more calories than the meal itself Whether you desire to eat healthy or lose weight this book's nutritious satisfying homemade recipes will minimize weight gain and maximize good health Discover over 50 healthy scrumptious low carb recipes for lunch breakfast dinner and dessert 100% Money Back Guarantee We are so confident that you will be delighted with the recipes advice and valuable health information contained in this e book that we offer an unconditional money back guarantee By getting started today you and your family can begin enjoying decadent homemade desserts and main dishes very low in carbohydrates without souring your health If you are not 100% satisfied just let us know within 7 days and we will cheerfully refund every penny with our sincere compliments
