The Messianic Matrix Loren W Caudill, 2006-10 The Messianic Matrix is a thrilling journey of theological concepts that define the Pentecostal experience It is a ground breaking and sweeping endeavor that utilizes the best of modern scholarship Finally in this exciting redefinition of baptism in the Spirit Loren Caudill has produced a fascinating theology of Pentecost that is at once complex and compelling Reaching into modern scholarship and his Pentecostal experience the author lifts the veil on ultimate reality and its relationship to Spirit Baptism and to the heavenly places in Christ For the first time in modern history definitions of New Testament terms like born again new creation and yes even the term Christian are defined from within their original Pentecostal settings The reader will sense a fresh wind of excitement as the traditional concepts of eternal life the kingdom of God water baptism the mystery of Christ the church and of believers inheritance are scrutinized Just as believers in mass have become fatigued of church as usual The Messianic Matrix offers Pentecostals and

Fundamentalists alike a new and biblical paradigm for life together in Christ      **Glimpses of Grace for Jewish Eyes** Charles Tarrell,2014-02-21 The Christian faith in its original form was a very Jewish phenomenon The first book in the Christian Scriptures refers to the Jewish Scriptures 125 times The last book of the Christian Bible is famous for its countless references to the Jewish Bible But the most Jewish book in the Christian Bible is of course the Book of Hebrews an anonymous first century book addressed to Jews and packed with Jewish history and Old Testament quotations The heart of the Christian faith is a revolutionary concept grace The Christian doctrine of salvation by the grace of God is what makes Christianity unique among the religions of the world The authentic Christian message is the gospel of the grace of God According to the New Testament one of the primary attributes of God is grace In *Glimpses of Grace For Jewish Eyes* Tarrell explores the seven occurrences of the word grace in the Book of Hebrews Here are seven crucial issues for every Christian all seven seen through the lens of grace      *The Joy of Exile* Andrew Spore,2010-03-12 The Joy of Exile presents a well researched commentary on the last book of the Bible It demonstrates Revelation s dependence on Old Testament imagery while exploring its transforming message for disciples in all times and places The Joy of Exile encourages readers to see this often misunderstood and misrepresented book as an encouraging guide to faithful discipleship in a rebellious world      *SCM Studyguide: Preaching* Peter Stevenson,2017-02-20 A step by step guide to learning about preaching and more importantly how to craft and deliver a sermon It offers a student friendly jargon free introduction that requires no prior knowledge of the subject      **Micah-Malachi** Ralph Smith,2020-12-15 A companion series to the acclaimed Word Biblical Commentary Finding the great themes of the books of the Bible is essential to the study of God s Word and to the preaching and teaching of its truths These themes and ideas are often like precious gems they lie beneath the surface and can only be discovered with some difficulty While commentaries are useful for helping readers understand the content of a verse or chapter they are not usually designed to help the reader to trace important subjects systematically within a given book a Scripture The Word Biblical Themes series helps readers discover the important themes of a book of the Bible This series distills the theological essence of a given book of Scripture and serves it up in ways that enrich the preaching teaching worship and discipleship of God s people Volumes in this series Written by top biblical scholars Feature authors who wrote on the same book of the Bible for the Word Biblical Commentary series Distill deep and focused study on a biblical book into the most important themes and practical applications of them Give reader s an ability to see the big picture of a book of the Bible by understanding what topics and concerns were most important to the biblical writers Help address pressing issues in the church today by showing readers see how the biblical writers approached similar issues in their day Ideal for sermon preparation and for other teaching in the church Word Biblical Themes are an ideal resource for any reader who has used and benefited from the Word Biblical Commentary series and will help pastors bible teachers and students as they seek to understand and apply God s word to their ministry and learning      **Micah** Francis I. Andersen,David Noel Freedman,2006 One of the twelve Minor

Prophets Micah unwaveringly spoke God's message to Israel a message filled with judgment but also laced with the promise of redemption Micah combined poetic complexity and literary sophistication to compel his audience to respond And now through an exacting linguistic and literary analysis of the biblical text coauthors Francis I Andersen and David Noel Freedman explain what Micah meant to his contemporaries as well as what his message means to readers today What sets Micah apart is the attention it pays to the details of the prophet's original text The commentary is descriptive rather than speculative philological rather than theological With unusual care the authors two of the world's leading Bible scholars examine the features of Micah's biblical Hebrew and prophetic discourse They discover the use of a special kind of language which in its poetic composition differs significantly from the language of classical Hebrew prose At the zenith of their careers masters of all relevant disciplines Andersen and Freedman are the perfect duo to unlock the words of this challenging prophet

The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples
