**International Encyclopedia of Business Management**, 2025-09-01 The *Encyclopedia of Business Management* Four Volume Set is a comprehensive resource that covers over 200 topics across various areas of business management. Each entry is written in an accessible manner making complex concepts easy to understand. The encyclopedia addresses interdisciplinary subjects such as cultural entrepreneurship, tourism, innovation, and marketing promotions. By emphasizing definitions and practical applications, the entries help readers grasp the relevance of each topic. Expert editors lead each section ensuring that the contributions are authoritative and well rounded. The encyclopedia is divided into seven broad themes including business entrepreneurship, human resource management, innovation management, international business, organizational behavior, project management, supply chain management, and sport and tourism management. Each section's articles begin with a technical analysis of key definitional issues followed by an exploration of the topic's broader context. This structured approach provides a holistic examination of the subjects allowing readers to gain a comprehensive understanding of vital business management concepts. Provides a comprehensive overview of the main business management topics. Focuses specifically on business management from a range of perspectives. Includes new and emerging business management topics. Presents an interdisciplinary focus in terms of business management practices. Features templates across all chapters for ease of navigation and use.
