Real world profiles from genuine professionals in the IT's my job section offer authentic and engaging insights into the industry. Extra facts, figures, quotations and specialist terminology included in the top margin of unit pages. Additional activities and tests in the Teacher's Resource Book make the course suitable for mixed ability classes. The Teacher's Resource Book provides specialist background to the industry for every unit as well as industry tips to support non expert teachers. Project work in the Student's Book, additional activities on the Student's Site and a Key words list of essential vocabulary at the end of every unit provide extra opportunities for revision. **International Handbook of English Language Teaching** Jim Cummins, Chris Davison, 2007-12-31 This two volume handbook provides a comprehensive examination of policy, practice, research and theory related to English language teaching (ELT) in international contexts. Nearly 70 chapters highlight the research foundation for the best practices, frameworks for policy decisions and areas of consensus and controversy in the teaching and development of English as a second and/or additional language for kindergarten through to adult speakers of languages other than English. In doing so, it problematizes traditional dichotomies and challenges the very terms that provide the traditional foundations of the field. A wide range of terms has been used to refer to the key players involved in the teaching and learning of the English language and to the enterprise of English language teaching as a whole. At various times and in different contexts, the following labels have been used in countries where English is the dominant language to describe programs, learners or teachers of English: English as a second language (ESL), English as an additional language (EAL), limited English proficient (LEP) and English language learners (ELL). In contexts where English is not the dominant language, the following terms have been used: English as a foreign language (EFL), English as an international language (EIL) and English as a lingua franca (ELF).
