Pagan Portals - Divination Melusine Draco,2018-08-31 Divination is only a small part of a witch's stock in trade and although a basic introduction to the subject can be learned from books proficiency will only come through vigorous practice

This proficiency comes through the discovery of certain secret matters by a great variety of means correspondences signs and occult techniques Before a witch can perform any of these operations with any degree of success we need to develop the art of seeing and the ability to divine with rod fingers and birds Divination is what could be referred to as the practical element of Craft magic and we don't even have to be witches to be able to read the portents But it helps A companion volume to Pagan Portals By Spellbook Candle and Pagan Portals By Wolfsbane Mandrake Root from popular Moon Books author Melusine Draco

Pagan Portals - Hedge Witchcraft Harmonia Saille, 2012-08-27 Hedge witchery in general is experiential and a slow and natural progression of interests and events often experienced from childhood and persisting all through your life As Aristotle said For the things we have to learn before we can do them we learn by doing them Learning by experiencing is about trusting your instincts and connecting with your inner spirit There is no dogma attached to hedge witchcraft There are no tenets to follow The path of a hedge witch is very much an individual one and it is a solitary practice In this way this book is based on my own experiences as a hedge witch living in Ireland and following a Celtic path This book will guide you if you wish to read more about hedge witchcraft as a pathway or are already following

such a path and wish to progress It only has a little about hedge riding as this book has too small a scope to include it Please read my accompanying book in the Pagan Portal series Hedge Riding **Hoodoo** Rachel Patterson,2013 Learn about and experience the fascinating magical art of Hoodoo **Pagan Portals - Dragon Magic** Rachel Patterson,2024-06-28 The Dragon represents the unknown the hidden energy in humans and in nature Dragon Magic introduces you to the amazing and wonderful world of the Dragon delving into its mythology and history and then some to help guide you along your own path toward meeting and working with Dragon energy **The Magick of Birthdays** Hannah Hawthorn,2022-07-12 Celebrate your special day and yourself with simple rituals in this modern guide to ancient spiritual traditions Your birthday is the ultimate moment to celebrate honor and reflect on who you truly are This practical companion is a modern day grimoire filled with rituals spells and other simple practices for making the most of your solar return Practices include simple spell craft candle magick solar work astrology and numerology kitchen witchcraft recipes for specific intentions and more Reflect on the past year let go of what you don t need and move into your new year with clarity purpose and a touch of self care magick Blow out the candles in a whole new way this birthday and beyond **Pagan Portals - Animal Magic** Rachel Patterson,2017-03-31 An introduction to the world of animal magic how to find recognise connect and work with the power of animal magic *Pagan Portals - Scrying* Lucya Starza,2022-02-25 Scrying is the practice of looking into crystal balls mirrors water fire clouds and many other things to see visions find messages and gain knowledge It can be done for personal guidance for inspiration to find the answers to questions to look at distant places or other realms or for fortune telling and prophecy It is a form of divination that taps into our psychic senses and powers of intuition Pagan Portals Scrying shows how anyone can learn to develop the necessary skills to scry in a variety of different ways **Pagan Portals - Herbs of the Sun, Moon and Planets** Steve Andrews,2016-05-27 Pagan Portals Herbs of the Sun Moon and Planets combines herbalism with astrology and explains how the ancient herbalists like Culpeper assigned specific herbs to planetary rulers Various characteristics were used to decide what planet ruled particular herbs Mars is the God of War and herbs that have this planet as their ruler display aggressive properties and appearance such as thorns or red berries or sap Dragon trees have red resin known as Dragon s Blood The book is divided into sections for each group of herbs So there are seven divisions for herbs of the Sun Moon Mars Venus Mercury Jupiter and Saturn each containing seven herbs Herbs of the Sun Moon and Planets will be essential reading for herbalists and gardeners and will also appeal to those with a general interest in the occult and astrology
