time constraints. Hence these study groups have a need for high quality study materials that require little preparation time for both leaders and participants. The No Prep Bible Study Series was designed to meet that need. This book Jesus Most Popular Parables has five focused lessons that require basically no preparation on the part of anyone in the group. Simply read the passages, read the short text and let everyone answer the questions. The guided nature of the study tends to keep the more exuberant members from dominating and gets the less talkative members to become involved. And every lesson can be wrapped up in 45 minutes. Kenny Beck's unique perspectives and interesting lines of questioning lead to discussions that are impacting, thought provoking and ultimately life changing.
