What Happens Next? Bruce L. Taylor, 2023-02-08 Bruce Taylor's latest volume

of sermons for the Common Lectionary Revised compiles traditional and story form proclamations for the Sundays and feast days from Advent through Eastertide in Year B of the three year lectionary cycle. Theologically rich, sacramentally sensitive and ecumenically minded, these biblically centered sermons articulate God's love for the whole creation, the profound implications of discipleship and the necessity of Christian unity. Like its predecessors in Taylor's first and second journeys through the lectionary, *What Happens Next* is intended for use by preachers, educators, seminary students and devotional readers who will all find it to be a welcome companion in penetrating the spiritual genius of the liturgical year and the usefulness of preaching from common texts. The book exemplifies how preaching from Mark's Gospel and the accompanying lectionary readings can shape interaction with the elements of the liturgy to encourage faithful Christian worship. The very uniqueness of Mark among the Gospels is elicited to prompt the whole church and each believer to respond to the question posed implicitly but insistently by the women's discovery of the empty tomb on Easter morning: What happens next?

It's Good to Be Alive:

Observations From a Wheelchair Jack Rushton, 2023-02-02 Twenty one years ago 50 year old Jack Rushton was boogie boarding at Laguna Beach with his family when he had an accident that instantly paralyzed him from the neck down. As Jack struggled to adjust to life in a wheelchair, he realized that he could reach out to people through his words. Through his observations, Jack has touched the lives of family, friends and many others all over the world. *It's Good to Be Alive* contains the best of Jack's insights on topics such as spiritual paralysis, encouragement, death and happiness. Funny, inspiring and down to earth, this book will ultimately help you realize that it really is good to be alive. *Sunday School Times* ,1888

Applying Old Stories to New Lives Tina Durham, 2011-03-25

This book is based on my prayerful meditations on what the old stories must mean to us in the everyday present world. In our time, we have historians and scientists all running around attempting to demonstrate whether the stories are true or if they could even be accurate. The religious leaders always state that we use our faith with these stories in these times of faith questioning and proving, not be a

doubting Thomas in these times We do not have to see the scars or the proof we believe because of the unseen The intent of this book is not to change the real meanings in the Bible but to make us think about the simple parts Relying on the old trait of finding meaning and symbolism in literature I have examined these stories As you read the stories in scripture and the version of interpretation that I have found ask yourself what is God saying to you Scripture is the love letter from a friend God He speaks to each of us differently and with different directions these may not trigger the same thoughts in your understanding but if they bring cause for you to examine the word then I have been successful As you begin to read this book be prepared to ask yourself questions Be prepared to listen to what God is telling you So often we read a story and that is the story we never revisit it But the Bible is not like a regular book it can be read over and over each time revealing something more intriguing than the last The layout of this book is to first consider who we are what our role is in this vast community of people Then I move through a section imaging how we interact and learn to live in Gods love and grace Finally I discuss some of our daily activities such as work school home ownership and voting
