Letter From the President:

It's hard to believe that it's mid July already and in less than two months we will be starting our program of meetings for the coming year. I hope everyone has enjoyed the summer so far. For me, this summer has been very unique as I took early retirement beginning in June and I'm seeing everything from a different perspective.

Meeting Schedule for Upcoming 2003-04 year:

September 18, 2003 East Coast - Newark Holiday Inn
December 4, 2003 East Coast - Newark Holiday Inn
February 19, 2004 East Coast - Newark Holiday Inn
March 2, 2004 West Coast - California Joint Meeting NAFFS & CSA
April 15, 2004 Midwest - Cincinnati
May 26, 2004 East Coast - Sheraton Newark

We also have the next Flavor Symposium coming up in 2004. The Committee is working diligently on the facilities, advertising, and the program. If you want to help, please contact Ken Kraus, Dave Malen or me to volunteer your services.

You will be receiving a survey from Ed Allbaugh, Chairman, Program Committee. We would like your input into the quality of the speakers, subject matter and length of presentations and any ideas or suggestions you have regarding the Educational Program and after dinner speakers at our meetings. I ask that you please take the time to fill these out completely and honestly so we can determine if we are meeting the needs and expectations of the membership.

One of my goals for this session is to increase the attendance and participation in the Society by our younger Apprentice members. To this end I have asked Steve Racors to take on the new responsibility of Chairman of the Apprentice Involvement Committee. Having worked with Steve for several years at McCormick I know we share the same philosophy on this issue and he will "shake the bushes" to get more of our younger members attending meetings and more importantly, involved in the workings of the Society. Assisting Steve will be Susan Lerner.

I look forward to the coming year. I have a great Board of Directors to assist and a lot of friends I can call on for help and guidance. Enjoy the rest of your summer and I look forward to seeing you in September.

Dennis

Park Science Volume 6 Issue 1 Fall 1985 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Park Science Volume 6 Issue 1 Fall 1985 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Park Science Volume 6 Issue 1 Fall 1985 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Park Science Volume 6 Issue 1

Fall 1985 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Park Science Volume 6 Issue 1 Fall 1985. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Park Science Volume 6 Issue 1 Fall 1985 any PDF files. With these platforms, the world of PDF downloads is just a click away.
