Paula Fredriksen:

Augustine and the Jews Paula Fredriksen, 2010-10-12 In *Augustine and the Jews* Fredriksen draws us into the life times and thought of Augustine of Hippo 396 430 Focusing on the period of astounding creativity that led to his new understanding of Paul and to his great classic *The Confessions* she shows how Augustine's struggle to read the Bible led him to a new theological vision one that countered the anti Judaism not only of his Manichaean opponents but also of his own church The Christian Empire Augustine held was right to ban paganism and to coerce heretics But the source of ancient Jewish scripture and current Jewish practice he argued was the very same as that of the New Testament and of the church namely God himself Accordingly he urged Jews were to be left alone Conceived as a vividly original way to defend Christian ideas about Jesus and about the Old Testament Augustine's theological innovation survived the collapse of the Western Roman Empire and it ultimately served to protect Jewish lives against the brutality of medieval crusades *Augustine and the Jews* sheds new light on the origins of Christian anti Semitism and through Augustine opens a path toward better understanding between two of the world's great religions *Jesus of Nazareth, King of the Jews* Paula Fredriksen, 2000 [When Christians Were Jews](#)

Paula Fredriksen, 2018-10-23 A compelling account of Christianity's Jewish beginnings from one of the world's leading scholars of ancient religion How did a group of charismatic apocalyptic Jewish missionaries working to prepare their world for the impending realization of God's promises to Israel end up inaugurating a movement that would grow into the gentile church Committed to Jesus's prophecy The Kingdom of God is at hand they were in their own eyes history's last generation But in history's eyes they became the first Christians In this electrifying social and intellectual history Paula Fredriksen answers this question by reconstructing the life of the earliest Jerusalem community As her account arcs from this group's hopeful celebration of Passover with Jesus through their bitter controversies that fragmented the movement's midcentury missions to the city's fiery end in the Roman destruction of Jerusalem she brings this vibrant apostolic community to life Fredriksen offers a vivid portrait both of this temple centered messianic movement and of the bedrock convictions that animated and sustained it **From Jesus to Christ** Paula Fredriksen, 2008-10-01 Magisterial A learned brilliant and enjoyable study *Gza Verm's Times Literary Supplement* In this exciting book Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology Brilliant and lucidly written full of original and fascinating insights Reginald H Fuller *Journal of the American Academy of Religion* This is a first rate work of a first rate historian James D Tabor *Journal of Religion* Fredriksen confronts her documents principally the writings of the New Testament as an archaeologist would an especially rich complex site With great care she distinguishes the literary images from historical fact As she does so she explains the images of Jesus in terms of the strategies and purposes of the writers Paul Matthew Mark Luke and John

Thomas D Evelyn Christian Science Monitor Sin Paula Fredriksen,2012-06-10 Why the meaning of sin changed radically during the first centuries of Christianity Ancient Christians invoked sin to account for an astonishing range of things from the death of God s son to the politics of the Roman Empire that worshipped him In this book award winning historian of religion Paula Fredriksen tells the surprising story of early Christian concepts of sin exploring the ways that sin came to shape ideas about God no less than about humanity Long before Christianity of course cultures had articulated the idea that human wrongdoing violated relations with the divine But Sin tells how in the fevered atmosphere of the four centuries between Jesus and Augustine singular new Christian ideas about sin emerged in rapid and vigorous variety including the momentous shift from the belief that sin is something one does to something that one is born into As the original defining circumstances of their movement quickly collapsed early Christians were left to debate the causes manifestations and remedies of sin This is a powerful and original account of the early history of an idea that has centrally shaped Christianity and left a deep impression on the secular world as well *Israel's God and Rebecca's Children* Larry W. stemming from his Hellenistic Jewish worldview Paul understood Jews as needing to maintain the law in Christ and gentiles as needing to abstain from the law in Christ Both groups in other words needed to maintain particular ethnic difference in their Christ following orientations lest they be left behind from Paul's imagined end of days Emanuel also argues that the way in which Paul understood these groups was through ethno nationalistic and hierarchical means By ethno nationalistic she means that Paul viewed the end of days as a new Israel centric nation requiring particular polyethnic cultural affiliation Jews for Christ and gentiles for Christ By hierarchical she means that Paul valued Jews for Christ over gentiles for Christ and also males over females and free persons over enslaved persons after all Paul's end of days was itself Israel centered i.e Jewish centered with the God of Israel i.e the Jewish God at the helm Finally none of these beliefs made Paul exceptional in his Judaism It made him average in his Judaism Wrestling with Paul shows that scholars in a post Holocaust world have often sanitized this ethnocentric exclusivism so as to make Paul ahistorically good for modern Jews and Judaism It also shows that readers of Paul have for millenia made sense of him in light of contemporaneous attitudes toward Jews

Authenticating Criteria in Jesus Research and Beyond Kevin B. Burr, 2023-10-16 Are the criteria of authenticity of Jesus research idiosyncratic to New Testament studies vehicles of subjectivity and fundamentally flawed vestiges of form criticism as some claim today If so why do opponents of the criteria approach still use them Or are the criteria the tools of general historiography as others assert If true none have adequately demonstrated where and how principles such as multiple attestation general and historical coherence dissimilarity and embarrassment feature in general historiographic method until now This study analyzes the methods of general historians and Jesus researchers who favor or oppose the criteria and demonstrates that regardless of sub discipline authenticating criteria are inherent to the practice of historiography

Paul, Then and Now Matthew V. Novenson, 2022-05-05 Reckoning with the hermeneutical struggle to make sense of Paul as both a historical figure and a canonical muse Matthew Novenson has become a leading advocate for the continuing relevance of historical critical readings

of Paul even as some New Testament scholars have turned to purely theological or political approaches In this collection of a decade s worth of essays Novenson puts contextual understandings of Paul s letters into conversation with their Christian reception history After a new programmatic introductory essay that frames the other eleven essays Novenson explores topics including the relation between theology and historical criticism the place of Jews and gentiles in Paul s gospel Paul s relation to Judaism the relevance of messianism to Paul s Christology Paul s eschatology in relation to ancient Jewish eschatologies the aptness of monotheism as a category for understanding antiquity the reception of Paul by diverse early Christian writers the peculiar place of Protestantism in the modern study of Paul the debate over the recent Paul within Judaism movement anti Judaism in modern New Testament scholarship disputes over Romans and Galatians the meta question of what it would mean to get Paul right or wrong Engaging with numerous schools of thought in Pauline studies Augustinian Lutheran New Perspective apocalyptic Paul within Judaism religious studies and more while also rising above partisan disputes between schools Novenson illuminates the ancient Mediterranean context of Paul s letters their complicated afterlives in the history of interpretation and the hermeneutical struggle to make sense of it all Is It God's Will? Brandon Ambrosino,2025-09-09

From an acclaimed journalist and a rising star in theological academia a provocative book about human and divine agency in an era of political extremism climate catastrophe and rising violence In the wake of two foiled assassination attempts while Donald Trump was campaigning for President many of his supporters claimed Trump s survival was an act of Divine intervention and a sign that Trump was favored by God In his victory speech Trump alluded to this But his survival prompts other questions Why did God spare Trump but not the retiree sitting behind him Why couldn t God have spared everyone that day And if God is truly omnipotent why do so many children die in gun violence every year To award winning journalist and theologian Brandon Ambrosino these mortal questions provide us with an opportunity to explore the great questions about Divine and human agency especially in relation to human tragedy and a world that seems to be slipping into chaos In this powerful and searching enquiry in the vein of N T Wright and C S Lewis Ambrosino argues that theologians have been poorly equipped to confront these questions because many hang on to an omnipotent model of God Exploring the daily tragedies that so many of us must contend as well as a provocative and challenging reading of Christ s death and resurrection

Ambrosino provides us with the tools to understand and process grief but also presents a refreshing portrait of less a God of power and more of one of persuasion who can still provide a residue of hope in a world gone wrong **Paul Within**

the Historical Jesus, Volume 2 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

The Donatist Church in an Apocalyptic Age Jesse A. Hoover, 2018-05-30 The Donatist Church in an Apocalyptic Age examines an apocalypse that never happened seen through the eyes of a dissident church that no longer exists Jesse A Hoover considers Donatists members of an ecclesiastical communion that for a brief moment formed the majority church in Roman North Africa modern Tunisia Algeria and Libya before fading away sometime between the fifth and seventh centuries Hoover studies how Donatists perceived the end of the world to offer a glimpse into the inner life of the dissident communion what it valued whom it feared and how it defined its place in history while on the cusp of history's end By recovering these appeals to apocalyptic themes in surviving Donatist writings this study uncovers a significant element within the dissident movement's self perception that has so far gone unexamined In contrast to previous assessments it argues that such eschatological expectations are not out of sync with the wider world of Latin Christianity in late antiquity and that they functioned as an effective polemical strategy designed to counter their opponents claim to be the true church in North Africa

Paul Among the Gentiles: A "Radical" Reading of Romans Jacob P. B. Mortensen, 2018-08-13 This exciting new interpretation of Paul's Letter to the Romans approaches Paul's most famous letter from one of the newest scholarly positions within Pauline Studies The Radical New Perspective on Paul also known as Paul within Judaism As a point of departure the author takes Paul's self designation in 11:13 as apostle to the gentiles as so determining for Paul's mission that the audience of the letter is perceived to be exclusively gentile The study finds confirmation of this reading strategy in the letter's

construction of the interlocutor from chapter 2 onwards Even in 2 17 where Paul describes the interlocutor as someone who calls himself a Jew it requests to perceive this person as a gentile who presents himself as a Jew and not an ethnic Jew If the interlocutor is perceived in this way throughout the letter the dialogue between Paul and the interlocutor can be perceived as a continuous unified and developing dialogue In this way this interpretation of Romans sketches out a position against a more disparate and fragmentary interpretation of Romans
