Pdf Asshole Happy Giving About Anyone:

Music Business: It's a Dirty Game! Tiwanda 'Ne Ne' Lovelace, 2012-02-01 This title is presented through this artist writer's eyes while experiencing multiple tragedies and events. Emotionally charged, this title clearly expresses the pain and anger of being betrayed, sacrificed, and scorned. Inside are the actual documentation and files used to demonstrate some of the tactics used to steal artist lives, deny rights, and enslave the artist. This title is compiled using personal journals, public records, contracts, copyrights, and other documentation which demonstrates how it is allowed to continue. This book shows how those in the industry literally infiltrate the lives of its victims in an effort to gain their trust. Befriending them is a part of the process to determine their weaknesses. These Gatekeepers are not going to simply walk others through the door to a successful career without taking everything. Now available for parents and mentors. sharing Although many have protected themselves in every way, many artist writers and producers have been denied the opportunity to even pursue their claims and are forced to fight for their rights. This book uses personal experience from direct association with major music industry personnel contracts with major music publisher. This book is not just for the aspiring artists but it is also for those who are interested in learning how the world actually operates. Although the unethical practices are not limited to any single industry, even after providing solid evidence of unethical business practices, secured copyrights in response to copyright infringements and contracts, the standard response was to attempt to discredit, induce suicide, and to intimidate. When you attempt to exercise your rights to seek justice through the courts, you face deliberate deprivation of rights, judicial misconduct, and obstruction. The entire process facilitates betrayal, initiates competition among its writers, producers, and battles for royalties. These publications are meant to speak on my behalf because I was never acknowledged or considered or consulted. I had a bulls eye put on my back because I walked away from harmful situation and chaos ensued. I chose to not be subjected by those who saw an opportunity and not a person. I was never recognized as a human being. I was tried and convicted by the court of public opinion before I even knew that I was on trial. This book differs because it doesn't just give you words from one person's viewpoint; it provides step-by-step documentation proving how the artist works are stolen and how they are able to continue stealing lives with this modern day form of enslavement. This book uses personal experience from direct association with major music industry personnel contracts with major music publisher Zomba BMG, Now Universal Music Group, copyrights, court records, and more to

demonstrate tactics used to steal oppress and destroy lives For more information please visit <http://7westpublishing.com>

I'm Buffy and You're History Patricia Pender,2016-06-28 Buffy the Vampire Slayer gave contemporary TV viewers an exhilarating alternative to the tired cultural trope of a hapless attractive blonde woman victimized by a murderous male villain With its strong capable heroine witty dialogue and a creator Joss Whedon who identifies himself as a feminist the cult show became one of the most widely analysed texts in contemporary popular culture The last episode broadcast in 2002 did not herald the passing of a fleeting phenomenon Buffy is a media presence still active on DVD and the internet alive in the career of Joss Whedon and studied internationally *I'm Buffy and You're History* puts the entire series under the microscope investigating its gender and feminist politics In this book Patricia Pender argues that Buffy includes diverse elements of feminism and reconfigures and sometimes revises the ideals of American second wave feminism for a wide third wave audience She also explores the ways in which the final season s vision of collective feminist activism negotiates racial and class boundaries Exploring the Slayer s postmodern politics her position as a third wave feminist icon her placing of masculinity in extremis and her fandom and legacy in popular culture this is a fresh and challenging contribution to the growing literature on the pitfalls and pleasures of a great cult TV show
