Parpart, 2023-12-19 The Politics of Silence Voice and the In Between Exploring Gender Race and Insecurity from the Margins seeks to dismantle the deficit discourses generated through research about people as agency less and by extension objects of study The book argues that regardless of marginalisation people create spaces of liminality where they seek control over their lives by navigating the structures that exclude them Challenging the false binary of silence as violence and voice as power the book introduces the idea of an in between liminal space which is created by people to navigate conditions of oppression and move towards a politically stable and inclusive world This book will be of great interest to students and scholars of gender studies international development peace and conflict studies politics and international relations sociology and media studies It will be an important resource for courses incorporating gender feminist and postcolonial perspectives **Word and Power** Gareth W. D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Victorians and Numbers** Lawrence Goldman, 2022 A defining feature of Victorian Britain was its fascination with statistics and this study shows how data influenced every aspect of Victorian culture and thought from the methods of natural science and the struggle against disease to the development of social administration and the arguments and conflicts between social classes **Bowie** Michael Allred, Steve Horton, 2020-04-22 Bowie Der einzig wahre Superheld Nicht von dieser Welt Eine Gottheit der Geschichte des Rock n Rolls Die Inspiration f r diese originellen Comic Memoiren des gro en Ziggy Stardust Zu Lebzeiten war David Bowie eine Ikone der modernen Popkultur die kaum jemand an magnetischer Ausstrahlung berbieten konnte Er vermochte es Fans seiner Musik und seiner au erordentlichen Person im Zeichen einer kulturellen Gegenbewegung in den Bann zu ziehen Im Tode nahm die Intensit t des Kults um Bowie nur noch zu Allein durch seine Musik erschuf Bowie ein beachtliches Verm chtnis dem aber seine generelle Rolle in den wichtigen Anf ngen eines neuen Kulturverst ndnisses in nichts nachsteht Als visuell erstklassiger Performer trotzte er mit seiner psychedelisch anmutenden sthetik allen Klischees und Schubladen berlebensgro und

 wave of settlers brought new technology ideas and trading opportunities and a struggle for control of the land Survival and
 resilience shape the history as it extends into the twentieth century through two world wars the growth of an urban culture
 rising protest and Treaty settlements Today at the beginning of the twenty first century Māori are drawing on both
 international connections and their ancestral place in Aotearoa Fifteen stunning chapters bring together scholarship in
 history archaeology traditional narratives and oral sources A parallel commentary is offered through more than 500 images
