The Mental Health Handbook for Ministry Mark Mayfield, 2025-09-23 Poor mental and emotional health are two of the great crises of our times and yet most pastors and ministry leaders are not adequately trained or equipped to understand and come alongside the hurting. As a result, our efforts to help those who are wrestling with mental or emotional health struggles are at best inadequate and at worst harmful. Combining the best of clinical research with a biblical worldview, *The Mental Health Handbook for Ministry* is a practical and accessible resource to help pastors, church leaders, and others who are called on to offer counsel identify the symptoms of particular mental and emotional health challenges, express love and support to those who are hurting, recommend healthy coping strategies, discern when to offer help and when to refer someone to a mental health professional. With chapters dedicated to common manifestations of mental and emotional distress including depression, anxiety, trauma, suicide, self-harm, addiction, personality disorders, grief, and more, this will quickly become the go-to resource for ministry leaders who long to offer help to the hurting. *Worship with Teenagers* Eric L. Mathis, 2022-02-15

This book addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other. Despite numerous research projects, books, articles, and resources that have been published about teenagers and about worship in recent years, the relationship between the two has been addressed only peripherally, if not altogether overlooked. Drawing on his extensive experience in worship ministry and youth ministry, Eric Mathis offers insights into the worship practices of teenagers, corrects common misperceptions about worship, and critically examines four prominent worship models in current practice. Mathis invites youth pastors, worship leaders, ministerial students, and congregations to elevate the voices of young people in the worshipping community and enhance worship for all ages. The book includes a foreword by Kenda Creasy Dean. **Unmasking Latinx Ministry for**

Episcopalians Carla E. Roland Guzmán, 2020-02-17 A look through a Latinx lens at how the Episcopal Anglican church can minister to and with the Latinx community. *Unmasking Latinx Ministry* is a unique look at the history of the Episcopal Church in the last fifty years, including a bold and insightful analysis of the institutionalization of Latinx ministries. This history is contextualized within the struggles of the Episcopal Church in terms of race, gender, and sexuality. Through a Latinx lens, the author brings fresh eyes to the challenges faced by the Episcopal Church's ministry with and among Latinx persons and communities. Along with the historical analysis and insight, the author brings a background and formation in Episcopal churches in Puerto Rico, Texas, California, and Central New York, as well as more than fifteen years of experience in a multicultural and multiracial monolingual and bilingual congregations in New York City. Combining this history and ministry experience, the author explores specific areas where Episcopal Anglican traditions speak to Latinx ministries and what Latinx persons and communities offer the Episcopal Church today. **The Next Worship** Sandra Maria Van Opstal, 2022-08-09

Vulnerability and Resilience Jione Havea, 2020-01-28 In Vulnerability and Resilience vulnerability is not the final word Rather resilience provides the cutting edge and living breath in the stories of subjects who are vulnerable And they have many stories stories of being trapped in bodies teachings and or situations that make them and others like them vulnerable to discrimination hatred and rejection stories of being trapped because of their bodies theologies and or cultures and stories of being trapped for no good reason For subjects who are vulnerable life is like a maze of traps and stories of resilience keep them going The contributors to Vulnerability and Resilience refuse to be trapped At the intersection of body and liberation theologies they tell their stories in the hope that they will expose cultures that make individuals and communities vulnerable and that those stories will encourage vulnerable subjects to be resilient and bring change to theological institutions that conserve vulnerability Because of the location of the contributors the Americas Africa Asia Europe Caribbean and Oceania this book is a testimony that vulnerability is present all over the world and that resilience is a liberating alternative
