This important and well rounded approach encourages a sense of empowerment and focuses on the respectful purposeful and careful handling of children in a childcare setting. The book is reader friendly, realistic and easily applicable to real life. The 6th edition is updated with the latest information including new references and quotes as well as new brain research relevant to the first 36 months of life. There are case studies included and the book also addresses the specific practices related to special needs children and children of different cultures. There are many key childcare philosophies addressed including that of the child, the caregiver and parent involvement. The book provides an emphasis on the child's growth and development and helps the reader to discover how they can best and most effectively influence that development within the child. This book provides the best information regarding the skills necessary to provide high quality care for infants and toddlers in any setting. Intentional Leadership for Effective Inclusion in Early Childhood Education and Care Mary Moloney, Eucharika McCarthy, 2018-05-11 Intentional leadership can unite, motivate and empower all educators to work towards the common goal of creating a truly inclusive culture in which all children with or without disabilities are supported and enabled to fully participate in every aspect of daily life and learning. This book recognises diverse manifestations of special educational needs from communication difficulties and delays in learning to social and physical disabilities and considers the ways in which these needs might be embraced within inclusive mainstream settings. Key to this is robust and purposeful leadership that removes barriers to learning, changes existing attitudes and values, motivates staff and foregrounds holistic learning opportunities and experiences. Chapters draw on theoretical models, reflect on international and national policies and consider topics including the image of the child, physical, aesthetic and temporal aspects of the learning environment, relational pedagogy, long medium and short term planning, the role of assessment, collaborative working with parents, families and other professionals. In depth descriptions of behaviours and leadership strategies, practice scenarios and activities support the reader's understanding. *Intentional Leadership for Effective Inclusion in Early Childhood Education and Care* is a comprehensive guide for students, teachers and practitioners involved in Early Childhood Education and Care.
