Start Your Own Online Coupon or Daily Deal Business Rich Mintzer, Entrepreneur magazine, 2013-08-19 Unlike old school design your own coupon book titles this book moves straight into computer technology and proceeds to the latest trend in couponing apps which provide deals to mobile users in any location Many daily deal businesses do not work to enhance the experience for their merchants Readers however can learn how to do so Experts in the industry are also included such as Marc Horne co creator of Daily Deal Builder who discusses what it takes to build a daily deal site David Teichner CEO of Yowza who brought deal apps to iPhones and several business owners who have tried their luck at running daily deal They discuss what they have learned from the process Currently there are few if any other books on how to start a daily deal business and the coupon books focus on how to use coupons and even on extreme couponing but not on running an online coupon business This is a unique title which provides those who enjoy offering deals and discounts to get started in an industry that is still growing

Succeeding at Your Yahoo! Business Linh Tang, Frank Fiore, 2013-01-23 The Yahoo Stores have grown into one of the largest online shopping destinations on the Web today The nearly 20 000 Yahoo Stores have a 71% reach among online consumers the highest on the Web Many of these stores have become so successful that they have grown from small mom and pop or part time businesses into full time money making ventures A whole new set of skills and knowledge are needed to operate a Yahoo Store like a full time eCommerce business *Succeeding At Your Yahoo Business* teaches you how to customize a Yahoo Store using the basic elements of the popular web design program Dreamweaver including architecting an eCommerce web site It then takes three different types of Yahoo Stores and deconstructs them showing you how they are formed and how they sell the products or services they offer There is also an entire section on how to position a Yahoo Store acquire customers and retain those customers Finally the book will show you how to set up the necessary accounting and operations systems and how to hire the staff necessary to successfully run your business
