**Navigating Fake News, Alternative Facts, and Misinformation in a Post-Truth World** Dalkir, Kimiz, Katz, Rebecca, 2020-02-28 In the current day and age objective facts have less influence on opinions and decisions than personal emotions and beliefs Many individuals rely on their social networks to gather information thanks to social media's ability to share information rapidly and over a much greater geographic range However this creates an overall false balance as people tend to seek out information that is compatible with their existing views and values They deliberately seek out facts and data that specifically support their conclusions and classify any information that contradicts their beliefs as false news Navigating Fake News Alternative Facts and Misinformation in a Post Truth World is a collection of innovative research on human and automated methods to deter the spread of misinformation online such as legal or policy changes information literacy workshops and algorithms that can detect fake news dissemination patterns in social media While highlighting topics including source credibility share culture and media literacy this book is ideally designed for social media managers technology and software developers IT specialists educators columnists writers editors journalists broadcasters newscasters researchers policymakers and students Beyond the River of Woke Conrad Riker, Are you tired of being bombarded with politically correct narratives and radical agendas that seem to distort reality and stifle common sense Do you feel like your voice is being silenced in the face of mainstream groupthink This book is for you We've all been there confused by the relentless onslaught of woke culture concerned about the future of our society and unsure where to turn for answers Beyond the River of Woke A Guide to Reclaiming Reality is a beacon in this storm of ideological chaos a lifeline for those who seek to understand the world beyond the distortion of political correctness Exposing the real impact of feminism on society Are we truly equal or have we gone too far Dissecting the influence of cultural Marxism on Western values How do these ideas threaten our way of life Debunking climate change Facts versus fiction in the global warming debate Revealing the truth behind the Great Replacement Is it a conspiracy or a real threat Analyzing the dangers of identity politics Why is this a threat to our unity as a society Critical Race Theory A critical perspective on a controversial topic Defending freedom of speech How the war on speech threatens our fundamental right The War on Masculinity Is our society becoming feminized Transgenderism A scientific perspective on a contentious issue Globalism vs Nationalism The battle for sovereignty in a globalized world Media manipulation How the media shapes your opinion and what you can do about it Socialism's rise and fall Lessons from the 20th century If you want to cut through the noise see through the fog of woke culture and reclaim your understanding of reality buy this book today Settle into the comfortable embrace of truth and reason as we navigate beyond the river of woke together *Scaffold Parenting* Harold S. Koplewicz, MD, 2021-02-02 Prevent and counteract the general anxiety and emotional fragility prevalent in children and teenagers today a new parenting philosophy and strategies that give children the tools to flourish on their own previously published as *The Scaffold Effect* A master synthesizer of attachment

science medical practice and his own experience as a father Harold Koplewicz capably and compassionately leads us through the art of scaffolding from early childhood through the important adolescent period Daniel J Siegel MD author of The Whole Brain Child Just as sturdy scaffolding is necessary when erecting a building and will come down when the structure grows stable good parenting provides children with steady and warm emotional nourishment on the path toward independence Never ending parental problem solving and involvement can have the opposite effect enabling fragility and anxiety over time In Scaffold Parenting world renowned child psychiatrist Harold Koplewicz introduces the powerful and clinically tested idea that this deliberate build up and then gradual loosening of parental support is the single most effective way to encourage kids to climb higher try new things grow from mistakes and develop character and strength Explaining the building blocks of an effective scaffold from infancy through young adulthood he expertly guides parents through the strategies for raising empowered capable people including Lay a solid foundation The parent child relationship needs to be made from the concrete mixture of emotional availability positive reinforcement clear messaging and consistent rules From this supportive base you will forge a bond that will survive adolescence and grow stronger into adulthood Empower growth Skyscraper or sprawling ranch the style of your child s construction is not up to you Scaffold parenting validates and accommodates the shape the child is growing into Any effort to block or control growth will actually stunt it Stay on their level Imagine being on the ground floor of a house and trying to talk to someone on the roof The person on the roof will have to talk down to you or yell If your child s building and your scaffold are on the same level you can speak directly look each other in the eye and keep the lines of communication open Drawing on Dr Koplewicz s decades of clinical and personal experience Scaffold Parenting is a compassionate street smart and essential guide for the ages All of the author s proceeds from the sale of this book will be donated to the Child Mind Institute
