James, 2016-01-18 M R James was born in Kent England in 1862 James came to writing fiction relatively late not publishing his first collection of short stories Ghost Stories of an Antiquary 1904 until the age of 42 Modern scholars now see James as having redefined the ghost story for the 20th century and he is seen as the founder of the antiquarian ghost story We are republishing these classic works in affordable high quality modern editions with a brand new introductory biography of the author *Science Fiction, Fantasy, & Horror*, 1988 A comprehensive bibliography of books and short fiction published in the English language [Science Fiction & Fantasy Book Review Annual](#), 1990 *The Publishers Weekly*, 2003 **Victorian Ghost Story** Andrew Smith, 2025-08-31 The Victorian Ghost Story An Edinburgh Companion invites readers to interrogate the multi layered multi vocal conversations that occur within the Victorian ghost story Its twenty four chapters provide a historical overview of the development of the ghost story and explore it in light of the new contexts of the period including mechanisation imperialism and changes to the economy As a much needed survey of critical work on the ghost story it features detailed analysis of major Victorian writers such as Charles Dickens Margaret Oliphant Charlotte Riddell and Henry James and it examines the places haunted by Victorian ghosts haunted houses but also haunted museums fells pyramids and seascapes By engaging with ecocriticism race colonialism class and gender this interdisciplinary Companion constitutes a significant scholarly contribution to the Victorian ghost story and how it relates to a broader Gothic tradition [Survey of Modern Fantasy Literature](#) Frank Northen Magill, 1983 **Horror Literature through History** Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today s horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don t realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears Horror Literature through History shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre s evolution from ancient times to the present The second section demonstrates how

Indiana Media Journal ,1984 Is the Devil a Gentleman? (Fantasy and Horror Classics) Seabury Quinn,2012-10-19 Seabury Quinn was one of the most popular pulp authors of the early 20th century Set in the aftermath of the Salem Witch Trials Is the Devil a Gentleman is one of his best tales Many of the demonic and thriller stories particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Fantasy Newsletter ,1981 Index to Science Fiction Anthologies and Collections** William Contento,1978 **Grand-Guignol** Prof. Richard J. Hand,Prof. Michael Wilson,2019-07-17 The Th tre du Grand Guignol in Paris 1897 1962 achieved a legendary reputation as the Theatre of Horror a venue displaying such explicit violence and blood curdling terror that a resident doctor was employed to treat the numerous spectators who fainted each night Indeed the phrase grand guignol has entered the language to describe any display of sensational horror Since the theatre closed its doors forty years ago the genre has been overlooked by critics and theatre historians This book reconsiders the importance and influence of the Grand Guignol within its social cultural and historical contexts and is the first attempt at a major evaluation of the genre as performance It gives full consideration to practical applications and to the challenges presented to the actor and director The book also includes outstanding new translations by the authors of ten Grand Guignol plays none of which have been previously available in English The presentation of these plays in English for the first time is an implicit demand for a total reappraisal of the grand guignol genre not least for the unexpected inclusion of two very funny comedies
