Mia James Darkness Falls:

Darkness Falls Mia James,2011-09-01 April Dunne is having a rough time There are vampires in her school Not Goths or Emos in fancy dress Dangerous blood sucking semi immortals They run the school They pretend to be students at it And they re using their influence to recruit smart rich students aka bleeders to their own cause What is that cause April isn t sure But she knows they killed a rock star for it and innocents who got too close to the truth One of them almost killed her But that s nothing to what s coming next Gabriel her kinda boyfriend is dying and unless April can find a cure then not only is she going to be boyfriendless she s also going to lose one of her major allies in the school And she really needs allies Because it turns out April has an ability of her own one that could prove lethal to the Suckers who ve taken over the school If any of them figure out what she is then losing her boyfriend will be the least of her problems

[Sleeping Angel](#) Mia James,2012-11-01 April Dunne has survived murder tragedy and the near complete destruction of her life as she knew it now it s time to solve the Ravenwood mystery once and for all To save her vampire boyfriend Gabriel she has to identify the Vampire King To save her friends she has to work out what s really going on at Ravenwood school in Highgate To save her family she has to uncover once and for all who really murdered her father and why But it s possible not even being a Fury will be enough to save April Dunne herself

By
Midnight Mia James,2010-07-07 April Dunne is not impressed She s had to move from Edinburgh to Highgate London with her parents She s left her friends and her entire life behind She has to start at a new school and worst of all now she s stuck in a creepy old dump of a house which doesn t even have proper mobile phone reception Ravenwood her new school is a prestigious academy for gifted financially or academically students and the only place her parents could find her a place in the middle of term in the middle of London on incredibly short notice So she s stuck with the super rich and the super smart and trying to fit in when the rest of the students seem to be more glamorous smarter or more talented than she is is more than tough It s intimidating and isolating even when she finds a friend in the conspiracy theorist Caro Jackson and perhaps finds something more than friendship in the gorgeous mysterious Gabriel Swift But there s more going on at Ravenwood than meets the eye Practical jokes on new students are normal but when Gabriel saves her from something in Highgate Cemetery

and then she discovers that a murder took place just yards away from where she had been standing April has to wonder if something more sinister is going on and whether or not she's going to live through it To find out more about the Ravenwood series visit www.ravenwoodmysteries.com *Sleeping Angel* Mia James, 2013-12-05 April Dunne has survived murder tragedy and the near complete destruction of her life as she knew it now it's time to solve the Ravenwood mystery once and for all To save her vampire boyfriend Gabriel she has to identify the Vampire King To save her friends she has to work out what's really going on at Ravenwood school in Highgate To save her family she has to uncover once and for all who really murdered her father and why But it's possible not even being a Fury will be enough to save April Dunne herself *The Mammoth Book of Best New Horror 23* Stephen Jones, 2012-10-18 The year's best and darkest tales of terror showcasing the most outstanding new short stories by both contemporary masters of the macabre and exciting newcomers As ever this acclaimed anthology also offers a comprehensive overview of the year in horror a necrology of recently deceased luminaries and a list of indispensable addresses horror fans and writers The Mammoth Book of Best New Horror remains the world's leading annual anthology dedicated solely to presenting the best in contemporary horror fiction **Catalog of Copyright Entries** Library of Congress.
